

All except bad ones!

There are hundreds of cough medicines which relieve coughs, all coughs, except bad ones! The medicine which has been curing the worst of bad coughs for 60 years is Ayer's Cherry Pectoral.

Here is evidence:

"My wife was troubled with a deep-seated cough on her lungs for three years. One day I thought of how Ayer's Cherry Pectoral saved the life of my sister after the doctors had all given her up to die. So I purchased two bottles, and it cured my wife completely. It took only one bottle to cure my sister. So you see that three bottles (one dollar each) saved two lives. We all send you our heartfelt thanks for what you have done for us."—J. H. Buxton, Macon, Ga., Jan. 13, 1899.

Now, for the first time you can get a trial bottle of Cherry Pectoral for 25 cents. Ask your druggist.

Our prospective coal mine is about ready for development, and boring will begin right away. It was found necessary to send to New York for some part of the steam drill, and the steam will not be turned on until the part arrives. However, some preliminary work is being done already in adjusting drill by hand and soon everything will be ready to make things hum in the vicinity of the old freestone quarry.

Minard's Liniment Cures Distemper

THE POISE

Of a woman in perfect health attracts the eye at once. Such a woman is all too rarely seen. The most of women bear scars of suffering on their faces which no smiles can hide, and often in their very carriage betray the womanly weakness which oppresses them.

There can be no perfect health for the woman who suffers from disease of the delicate womanly organism. Her general health is so intimately related to the local health of the womanly organs that these must be cured before the general health can be established.

Dr. Pierce's Favorite Prescription makes weak women strong and sick women well. It cures womanly disorders and diseases; brightens the dull eye, rounds out the hollow cheek and gives strength for wifely duties and maternal cares.

"My health is the best now that it has been for four years," writes Mrs. Elsie Morris, of Ira, Cayuga Co., N. Y., Box 25. "I have taken but two bottles of your medicine, 'Favorite Prescription' and 'Golden Medical Discovery' and I feel better than I have ever felt before. I couldn't do any work all the time for a family of four. Before I took your medicines I was in bed for nearly half the time. My advice to all who are troubled with female weakness is to take Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery'—the most wonderful medicines in the world."

Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of 31 one-cent stamps to pay expense of customs and mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

FRATERNAL VISIT

A very pleasant visit was paid to Avonmore Division, Burlington, on Saturday evening Sept. 28th by twenty five members of the Highfield Division. The evening was all that could be desired moonlight and warm.

A pleasing entertainment was provided by both Divisions. Perhaps the most amusing feature of the evening was the play given by Miss Alberta Kang, Miss Corretta Sanford and Mr. Lewis Blackburn. The vocabulary of the elderly spinsters, together with the bashfulness of the lover, provoked much applause during the entire play.

A reading by Miss Sanford of Burlington, also one by brother Blackburn of Highfield, a recitation by Mrs. J. N. Card, and solo by Mr. J. N. Kennickill of Grand Pre were much enjoyed. While the occupants of the double team seemed a merry party. The three couples in single teams seemed no less happy. We were also pleased to have with us Mr. and Mrs. Zwicker of Summerville. While we hope to be able to pay them a visit sometime in the future, we cordially invite them to visit us again whenever convenient. Burlington.

A BIG QUARTER'S WORTH

It is always found in a bottle of Polson's Nervine, the best household liniment known. It cures rheumatism, neuralgia, toothache, headache, sick-stomach, and is good for everything a liniment ought to be good for. Mothers find it the safest thing to rub on their children for sore throat, cold on the chest, sprains and bruises. Never be without Polson's Nervine. It will cure the pains and aches of the entire family and relieve a vast amount of suffering every year.

Sisiboo Pulp Mills

Montreal, Que., Oct. 2.—Sisiboo Pulp Mills company, Weymouth, Nova Scotia, the stock and bonds of which are largely held in the city, has defaulted in payment of interest on its bond issue which should have been made yesterday. The bonds were issued two years ago to the amount of a quarter of a million, bearing six per cent., 30 year gold bonds. The company, it is said, hopes before long to be able to meet the payment of interest, and the bond holders are being asked for an extension of time.

OBITUARY

Mrs. T. A. Robinson.
Hantsport Advance

The death of Mrs. T. A. Robinson occurred at her residence on Prince street, Hantsport, at an early hour Sunday morning, in the 72nd year of her age. The deceased was the eldest daughter of the late David Messenger, Tremont, Kings county, Mrs. Robinson formerly lived in Kingston, but about 15 years ago with her husband removed to Hantsport, where they have since resided. The departed body was a consistent member of the Baptist church, and although in late years a great sufferer, she bore her allotted trials with Christian fortitude. Mrs. Robinson will be much missed by her acquaintances for her happy and bright disposition. The funeral was held Tuesday afternoon at 2.30, and was largely attended by relatives and friends. Rev. Messrs. White and Aikens officiated at the services. Interment was at River Bank cemetery. The floral offerings were beautiful. A sorrowing and aged husband and four children survive. Mrs. W. W. Saunders, Wolfville, Mrs. (Dr.) C. I. Margeson, Hantsport, Rev. W. H. Robinson, Short, Digby, Mrs. H. B. Short, Digby, Mrs. Robinson was the eldest of a family of 15, the following of whom are living. Mrs. Dr. Welton, Toronto, Mrs. Gilbert Fowler, Winnipeg, Mrs. Beale Neiley, Brooklyn, N. Y., Mrs. J. W. Churchill, Hantsport, and four sons, Elijah Messenger, Tremont, Milledge D., Brooklyn, N. Y., Talford, Montana, and Rupert, Arizona. The death of Mrs. Robinson severs the first link in a chain of five generations, as follows. Mrs. Messenger, the deceased lady's mother living in Hantsport at the age of 90 years; Mrs. Robinson, Mrs. (Dr.) Margeson of Hantsport, the latter's daughter, Mrs. A. W. Davison, Vancouver, and Mrs. Davison's little child. The five generations held a family reunion this summer and were photographed by Hantsport's local artist A. E. Cornwell. The sorrowing relatives and friends of the late Mrs. Robinson have the sincere sympathy of their acquaintance.

Paine's Celery Compound

Cures Chronic and Complicated Cases of Rheumatism

IT BANISHES EVERY TRACE OF POISONOUS ACID FROM THE BLOOD

Has Made More Permanent and Wonderful Cures Than All Other Medicines in The World

All rheumatic sufferers dread the variable and trying weather of October and November. Sufferers from the various forms of rheumatism—articular, muscular, inflammatory, gout and lumbago—suffer more intensely in the autumn months. Chilling winds, damp air, cold rains and night frosts, aggravate existing misery and agony.

Thousands of victims of rheumatism have come back from summer health resorts only to find themselves as badly tortured and crippled as they were before they started for their false Mecca of health. Mineral springs, baths and massage systems can never drive out the morbid principle of terrible rheumatism from the blood and joints.

Careful medical tests and a long experience prove that Paine's Celery Compound is the only agent and medicine for the cure of all forms of rheumatism, and succeeds when everything else fails. With a confidence created and strengthened by thousands of victories over rheumatism, we urge suffering men and women to use Paine's Celery Compound. Its marvellous virtues will meet your case and do for you what it has done for others. Mrs. J. Vince, Barrie, Ont., says:

"I am happy to say I have taken Paine's Celery Compound with great results. I had catarrh so badly that I could not turn in bed or walk without help, and for a period of three weeks was helplessly laid up and suffered pain that at times was almost unbearable."

I tried many medicines, but all in vain. I was afterwards recommended to try Paine's Celery Compound. I used six bottles and am entirely cured and enjoy good health. I take great pleasure in recommending the valuable medicine that cured me."

The women of Toronto will present the Duchess of Cornwall with a \$1,000 writing desk of Canadian materials. The desk is to be beautifully inlaid and ornamented with Canadian precious stones, amethysts, pearls, garnets, etc.

CRYING BABIES

The Cry of an Infant is Nature's Signal of Distress

Babies never cry unless there is some very good reason for it. The cry of a baby is nature's warning signal that there is something wrong. Every mother ought to get to work immediately to find out what that something wrong may be. If the fretfulness and irritation are not caused by exterior sources, it is conclusive evidence that the crying baby is ill. The only safe and judicious thing to do is to administer Baby's Own Tablets without the slightest delay.

For indigestion, sleeplessness, the irritation accompanying the cutting of teeth, diarrhoea, constipation, colic, and simple fevers, these marvellous little tablets have given relief in thousands of cases and saved many precious baby lives. Do not give a child scalding soothing medicines; such only stupify and produce unnatural sleep. Baby's Own Tablets are guaranteed to contain no opiate or other harmful drugs; they promote sound, healthy sleep because they go directly to the root of baby troubles. Dissolved in water these tablets can be given to the youngest infant. Mrs. Walter Brown, Milby, Que., says:— "I have never used any medicine for baby that did as much good as Baby's Own Tablets. I would not be without them."

Baby's Own Tablets are for sale at all drug stores, or will be sent direct on receipt of price (25 cents a box) by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

Personals

Mr. and Mrs. George Smith and family, formerly of Hantsport, who have been of late residing in Boston, have returned to this town, and are occupying the Marshall residence near Willow Bridge.

Another Hantsport man, Victor Chittick, who recently held a position in the States, has returned home and last week entered Acadia college.

Miss Ethel Morgan of this place has been confined to the house with a severe case of congestion of the lungs. Miss Morgan took cold while attending the exhibition. We are pleased to state she is rapidly recovering.

Miss North Lawrence has been spending a pleasant vacation in Halifax and vicinity.

Miss Bernette Burgess spent Sunday in Avondale and Scotch Village. Lawrence Toye, formerly of Hantsport, now of Peabody, Mass., has been visiting his grandfather, Mr. Wm. Lawrence, Falmouth. Mr. Toye returned home Monday. Before leaving he subscribed for The Advance, which is considered by those away from their native land, "just like a letter from home."

SUMMER HELPS TO CURE CATARRH AND BRONCHITIS

Sunshine, evenness of temperature, outdoor life, together with freedom from recurrence of colds which winter excites, is a great boon to victims of Catarrh, Bronchitis and Hay Fever. Fortify these blessings by the wonderful, certain and Catarrhizone treatment. It cures always, but quickest in summer. Doctors approve of it, druggists recommend it, people who have used it, go wild over it. You try Catarrhizone, then wonder where your Catarrh has gone to. It cures. Do you know any other remedy that does? All dealers, 25c. and \$1.00. G. C. McDougall, Druggist, Kentville.

The American apple crop of this year is estimated at from 10,000,000 to 11,250,000 barrels, while last year from 50,000,000 to 60,000,000 barrels were harvested in that country.
