Crime of Incest Charge Against George Smith.

AN FRANCISCO MURDER TRIAL

steed throughout, the seats newly upholstered in tints to correspond with the general colour scheme, and an ornate gothic porch erected in front of the building. The Rev. Dr. Smith, the pastor, and the Rev. Dr. Burns assisted at the services to-day.

George A Smith, the well-known piper, was arrested last evening on the terrible charge of incest. Smith had been working on the Welland branch of the T. H. and B., and came home to Spend Sunday. On Theeday last Smith's daughter Maggie gave birth to a child at the hospital. It is said that she gave some of the neighbours and Chief Smith the name of her alleged betrayer, and it was on information obtained from her that the warrant was issued. Since the death of her mother, three or four years ago, the girl has been keeping house for her father. Smith's friends claim he is innocent. They say the fact that he returned to the city notwithstanding the accusation made against him is proof of his innocence.

W. B. Palmer, the defaulting teller of the Canadian Bank of Commerce, was brought before Police Magistrate Jelfs yesterday. He was not arraigned, but was remanded until Wednesday, at the request of Chief Smith. Such a change was made in the prisoner's appearance by the absence of his moustache and his cropped hair than its friends failed to recognize him. Mr. J. W. Nesbitt, Q.C., has been retained to defend Palmer. There are rumours that the shortage will amount to \$25,000. The exact amount will not be known until the examination of the books is completed. It is and that when Palmer lost money on the horses he patronized the "bucket shops," and got deeper in the mire. There is likely to be a contest over the reward of \$256 offered for the capture of the prisoner. Detective Reid considers hat he is emitted to the money, but Chief Smith, may it is a rule that all reward money shall be divided equality among the detectives.
