It is always a pleasure for us to call attention to anything in the way of enterprise in Wolfville and in this connection we think we ought to mention the name of Mr B. G. Bishop. He is now in the shop formerly occupied by the ACADIAN, in the Higgins building, which he has fitted up in fine style with dado and paint, and has a fine stock of paint, oils, glazes, &c. Mr Bishop spent a large part of the winter in an American city where he made a particular study of decorative painting and he is now in a position to do all kinds of house painting in the leading American styles. He also looks after paper hanging and kalsomining. Go and see him before you begin "house cleaning."

Canning.

A large and influential meeting of dyke owners was recently held at this place to talk over the subject of building a dyke across the Canning river. All agreed that it was desirable to have a dyke built, but some desire to have it placed across the river at the Pickett wharf and others at the Borden wharf. Petitions are now being circulated having respect to the same. It is to be hoped something tangible will be the result of so much talk.

DR. O. W. NORTON'S BURDOCK BLOOD PURIFIER

Purely Vegetable! A Valuable Compound RESTORING HEALTH!

Hundreds have been cured by us

LIVER COMPLAINT, COSTIVENESS, DYSPEPSIA, BILIOUSNESS, RHEUMATISM, IMPURE BLOOD, LOSS OF APPETITE, KIDNEY DISEASE, AND— GONNEAL PEBILITY.

READ THE FOLLOWING TESTIMONIALS:—

Halifax, Nov. 14, 1885. DR. NORTON: Dear Sir,—For twenty-five years I have been afflicted with Salt Rheum, and last Summer my head and part of my body was one fearful sore. My husband on my behalf consulted three doctors, which failed to do me any good. In August 1884 I commenced taking your Dr. O. W. Norton's Burdock Blood Purifier, and after taking three bottles, was entirely cured, as I have not the least symptoms of it since. The Burdock Blood Purifier has also cured Caps Brocks of Dyspepsia and Liver Complaint.

Yours truly, Mr. John Grant ANTHONY BLACKBURN, of Newport, writes: "For five years I have been afflicted with two Erysipelas Fever Sores on my legs. Have consulted all the doctors for and near. All medicine failed to do me any good until I had full recourse to take Dr. O. W. Norton's Burdock Blood Purifier. After taking seven bottles my sores are entirely healed up and I am as well as ever."

February 26th, 1886. There is no medicine known to the medical fraternity that has cured so many of Liver, Kidney Blood and Nerve Diseases as the medicine that composes Norton's Burdock Blood Purifier. Sold by most of the dealers in medicine throughout the county, and by G. V. Rand, Druggist, Wolfville, at \$1.00 per large bottle.
