Look up, dear child, to the happy stars That glitter in heavenly spaces;
No discord their lonely order mars,
None covet their neighbors' places;
Yet some flash out on the wide, dar night,
And some just shimmer with faint, sweet light.

It matters little so each but shine
With all the strength it can gather;
The gleam of the least is a gift divine,
Not mighty, but precious rather;
No star its fellow-stars envice or shames,
And the dear Lord calleth them all by

Coughs, Croup

Allon's Lung Balsam was introduced to the public after its merits for the positive cure of such diseases had been fully tested. It excites expectoration and causes the Lungs to throw off the philegm or mucus; changes the secretions and purifies the blood; heals the irritated parts; gives strength to the digester of the proper caction, and imparts strength to the whole system. Such is the immediate and satisfactory effect that it is warranted to break up the most distressing cough in a fow hours' time, if not of too long standing. It contains no opium in any form and is warranted to be perfectly harmless to the most delicate child. There is no real necessity for so many deaths by consumption when Allen's Lung Balsam will prevent it if only taken in time. For Consumption, and all diseases that lead to it, such as Coughs, neglected Colds, Bronchitis, Asthma and all diseases of the 'ungs, Allen's Lung Balsam will prevent it is almost a specific. It is an old standard remedy, and sold universally at 50 cents and \$1.00 per bottle. The 25-cent bottles are put out to answer the constant call for a Good and Low-Priced Cough Curk. If you have not tried the Balsam, call for a 25-cent bottle to test it.
