WOLFVILLE, N. S., JULY 5, 1918.

Rev. Mr. Armitage's Farewell.

A good-sized congregation gathered at the Methodist church last Sunday evening to bid farewell to the pastor, Rev. Mr. Armitage, who left this week to take up his duties at Windsor. The service took the form of a memorial to the boys of the congregation who have given their lives for their king and country.

At the close of his address he unveiled an Honor Roll to the memory of the twenty-six boys from the Wolfville congregation who have donated the khaki. Of these, seven have already made the supreme sacrifice.

Peace-Talkers.

A very prominent Canadian ecclesiastic gave forth to his people, some days ago, a deliverance in which he dwelt somberly on the war, on the mowing down of the flower of our youth, on the crushing of the spirit of our wives and mothers, on the long struggle still before us, and on the waste of our material resources.

Miss Wood the Bride of Corp. Arthur F. Borden.

Corp. Arthur F. Borden of the Canadian Army and Miss Elizabeth M. Wood were married at the Wood residence, 28 Knoll St., Halifax, last night by Rev. Ernest Guthrie, pastor of the Union Congregational Church of Boston.

Miss Wood was given in marriage by her brother Roland M. Wood. Thomas S. Wood was best man and Miss Lavina S. Wood was bridesmaid. The bride was attractively gowned in white satin with overdress of georgette crepe and carried a bouquet of white roses.

Corp. Borden was among the first Canadians to be sent across to France. He took part in many big battles and finally was captured by the Germans. Only a short time ago he was released from Germany on account of disability.

Dr. Wilson's HERBINE BITTERS

This splendid blood medicine—made of old-fashioned herbs—gives the system a regular "spring cleaning"—regulates liver and bowels—cleanses the blood of all poisonous matter—tones up the drooping—gives strength, vigor and a feeling of good cheer to the whole system.

Lieut. Mac Wallace Loops the Loop.

Flight-Lieut. 'Mac' Wallace, who is at present spending a furlough here with his parents, Mr. and Mrs. B. W. Wallace, is a daring and skillful aviator as the following extract from a Toronto paper indicates:

Reaches residence and the thousands of people who live at Scarborough Beach and Kew Gardens were treated to an exceptional exhibition of aerobatics yesterday afternoon when a machine piloted by an aviator from Ipswich camp in the 78th squadron, coming at a height of about 3000 feet, circled the engine and side, slipped, looped the loop, and did all the dangerous tricks (except falling) into the lake. It called back and forth from Victoria Park to Waverly Road for nearly an hour and the curves and loops it described in the beautiful sunlight will long be remembered by the spectators.

[The above from a Toronto Sun.] per will be read with much interest. Lieut. Wallace, who is only 17 years of age, is a grandson of Mrs. Irene Pitch, of this town, his mother, formerly Miss Maude Pitch, and his father, Mr. Berjee W. Wallace, are both well known in Wolfville.

The Need is so Great that a "conscience gift" is needed

PUT yourself in the place of our Nova Scotia boys who are fighting in France. Lying shell-torn or racked by poison gas on the battlefield or the hospital ward—what is your money worth compared to THEIR DEVOTION? When their lives—and the lives of thousands of other Canadians who are fighting our battles—depend on the money we can give, who is going to withhold his money?

ARE YOU?

Turn your pockets inside out—it's no time for cool decisions.

Nova Scotia Red Cross Week will be from July 8th to 15th and \$250,000 is the amount to be collected.
