NOTED MUSICIAN OF MONTREAL

Advise The Use Of "FRUIT-A-TIVES",
The Famous Fruit Medicine.

MR. ROSENBERG
589 Casgrain St., Montreal.
April 20th, 1915.

"In my opinion, no other medicine in the world is so curative for Constipation and Indigestion as 'Fruit-a-tives'." I was suffering from these complaints for five years, and my secondary occupation, Music, brought about a kind of Intestinal Paralysis—with nasty Headaches, belching gas, drowsiness after eating, and Pain in the Back. I tried pills and medicines of physicians, but nothing helped me. Then I was induced to try 'Fruit-a-tives', and now for six months I have been entirely well.

I advise anyone who suffers from that horrible trouble—Chronic Constipation with the resultant indigestion, to try 'Fruit-a-tives', and you will be agreeably surprised at the great benefit you will receive". A. ROSENBERG.

naturally enough they went out of town for their printing. The result of their interference was only to clamp the clerks who stood by their organization more firmly than ever to Wednesday and start them working for that day. The poll showed that the public was overwhelmingly with them, and the question has been decided in the best interests of all concerned.

THE ATHLETIC CLUB

The ratepayers of the city have taken the first step in the project of taking over the property of the Nanaimo Literary and Athletic Association. Under the circumstances and on the conditions offered there was nothing else they could do. The ratepayers and citizens have been loyal supporters of the Club. Thousands of dollars have been subscribed to keep it going. It is too bad that such an institution should not have been able to support itself in Nanaimo. In addition to a curious run of bad luck, it may be said that the youth of the city never rallied to the club as they ought to have done. The membership even at fifty cents a month was never big enough to meet the expenses of carrying on, and of late years the condition of the Club financially went from bad to worse. Seeing that the citizens have helped the Club along for so many years, the ratepayers will only be protecting themselves in taking the property over. The Cricket Ground is a valuable piece of land, and if looked after, can be made to pay interest on the investment. As to what to do with the club premises, that is a question yet to be considered. No doubt many suggestions will be put forward and the main thing is to exercise due care in coming to a decision.

DOMINION THEATRE

Another one of those great Alaskan photo-plays, based upon the poems of Robert W. Service, who has been rightly named the Canadian Kipling, will be shown at the Dominion on Monday and Tuesday.

This time it is "The Spell of the Yukon," based on Service's most famous poem. Those who saw "The Shooting of Dan McGrew" will remember the magnificent acting of Edmund Breece in the leading role, and will be pleased to know that he holds the like position in "The Spell of the Yukon," supported by a brilliant company. The film was photographed in Canada and breathes throughout the very spirit of Alaska. Do not miss it.

There will also be shown a very laughable L-Ko Comedy, "The Jail Bird's Last Flight," and another number of the entertaining and instructive "Reel Life."

BIJOU THEATRE

A photoplay unlike any that has heretofore been produced at the Bijou studio, "Blanche Sweet in 'Public Opinion'."

"Public Opinion" will be shown at the Bijou on Monday and Tuesday. Written especially for the star by Margaret Turnbull, the photoplay among its novelties contains a visionary character almost throughout its entirety. Miss Sweet, who continues as one of the most interesting personalities before the motion picture public is seen in "Public Opinion" as a professional nurse on trial for murder. How a sensational newspaper report prejudices the mind of the public against this young woman, who is absolutely innocent of all wrong, and how her whole future happiness is jeopardized by what is supposed to have been one false step is shown in a gripping and entertaining manner. This picture is one of the most lavish the Lasky Company has ever made. The big court room scene is an exact replica of that in which the trial was held upon which the story is based. The comedy on this program is a cracker-jack entitled "Jerry's Celebration" starring George Ovey. All the latest news of the world will be shown in the Mutual Weekly. The 20th episode of "The Iron Claw" will round up a very powerful program.

MISKE WINNER OVER WEINERT
New York, Jan. 13.—Boxing promoters are expected to begin bidding today for a bout between Billy Miske the St. Paul light-heavyweight, and Fred Fulton, the Minnesota giant. Although Fulton towers above Miske, the showing the latter made when he defeated Charley Weinert last night in ten rounds, promoters believe would justify the match.
