good Brandy at hand.

What Brandy will you buy? The Medicinal Brandy "Sanator" is not a properly so-called medicine, but it has been selected, from amongst the best known growths for their effective principles, and it is distilled so as to develop its tonic and digestive qualities. It is really the FAMILY

ng time, bestowed on it. e celebrated French physician, DR. PHARZELLE, Inspector-in-chief of Medical Services, says: "The midicinal Brandy "Sanator" is eminently an digestive drink, remarkable for its tonifying and reinvigorating properties." Ask for Medicinal Brandy Sanator from

DIRECTIONS

Against weakness and bad digestion: a liq-

Against Cold, Influenza: take as a hot drink, viz: one ounce and a half of Brandy, one ounce of hot water, with a little sugar. Against summer complaints: use with

# The Surplus Earned.

In 1912 the Canadian Life earned surplus of \$1,530,667, exceeding by over \$237,000 the earnings of 1911, and by a much larger amount the earnings of any previous year. This is of importance to policyholders, for their Dividends must come from this account.

Something to Look Forward To. 

BY RUTH CAMERON.

"Not the quarry but the chase, Not the laurel but the race, Not the hazard but the play,

Help me-Lord-enjoy alway!' "At last I am happy," I heard which she had recently had pap-

at it for years, and that long New I can thoroughly enjoy it."

Do you know what I think? I think that room, she won't enjoy t half so much as she has in the past. shall finally attain absolute happiness when we finish some piece of business, such as the furnishing of this coom. Could anything be further from the truth? For there is happiless, as well as health, in growth and hange. This is the normal and hence the happy condition. Nature abhors a standstill quite as much as a vac cay commences. The fruit that has at last reached the goal of ripeness, towards which all the forces of nature have been bringing it, does not remai commences to rot. The flower that has grown into full perfection at once

And so, in human life we must al-

stage of development and from one goal to another; and the happiness that we fancy lies in the goal is really found in our eternal voyage towards

Among my friends is a young married woman who is considered very fortunate because she does not have to save, and scrimp, and plan, in order ercd. "I've got When she was married, her father this room just as gave her a beautiful home, and her want it at last. mother presented her with all the I've been working furniture and appointments. Every room was completely furnished when mirror and the Apparently there was nothing left to fallen under the spell of antique furniture, and has conceived a desire for hat unless she finds something more an old French bed-room set, which is so expensive that even her indulgent narents do not quite feel like rushing show for years. "We go out and look at every litle while," she said, "it's such fun, it gives us something to loo

Something to look forward to-isn't that the secret of happiness from feels its outer petats beginning to happiness in the chase.

fter cooking, they should be covere nder the lid with a cloth to absorb he steam and keep the vegetable rom becoming sodden

White enameled iron beds with straw ticking and good springs will b found most satisfactory for the us of farm hands. The ticking can easi

washed, when necessary. When dyeing rags for rugs, tie the bunches of rags tightly around before dipping in the dye. his will give even intervals of rags

last a long time. Of course, this is supposing that the decorations must last a long while. Pillows should always be beaten after they have been put out in the wind to air. If they are feather nilws, they should not be left long in the sun. Also they should be hung on he washline once a week. Baked peaches are seasonable, and a agreeable change from apples.

sugar and a dash of lemon and possibly nutmeg. Bake in a hot oven. To make a waist ruffle look like new, iron it flat, as usual, then ie move needle and shuttle from sewing

nachine, adjust ruffle attachment and run the hem of the ruffle through using the long guage for the ruffler. Fruit may be canned by baking with great success. Sterilize the jars by boiling fifteen minutes, then pack with clean, uncooked fruit, and minutes; remove and seal while hot in he upsual way.

Grape juice is made thus: Wash and emove stems from ten pounds of grapes. Put in stewpan. Add one cupful of water and cook until stones and pulp separate. Strain through a jelly bag, add three pounds granulated sugar, bring to a boil, then bot tle and seal.

Dr. de Van's Female Pille

### Palzer Was Knocked Out.

New York, Sept. 3rd.-Frank Moran the Pittsburg heavyweight, knocked out Al Palzer, of Ibwa, in the seventh round of their scheduled ten round bout at the St. Nicholas Athletic Club

here to-night: When the men stepped Moran looked trained to the hour while Palzer was a bit flabby. Morar started to force the fight from the be-

gash over Palzer's left eye with a right hook, and in the third, after delivereing a left jolt under the jaw, he sent lefts and rights to the jaw, sending Palzer down for the count of

left smashes to the face, and it looked as though Palzer's nose was broken, but it was only the stirring up of an old injury. Palzer landed a hard left over the right eye, from which Moran

rights to the jaw in succession, knocked Palzer down again for the count of nine. Palzer was only on his feet again for a couple of seconds when the bell ended the round with Palzer

the peri ended the round with Palzer very groggy.

Moran rushed matters in the seventh and drove a right across to the point of the jaw and Palzer recled and fell flat on his face and was counted out. The time of the last round was twenty seconds. Palzer had to be helped to his feet and Moran assisted him to his corner.
