### INDIA CONTINUES TO SUPPORT THE WAR FUNDS.

LONDON, Nov. 29. A special despatch from Delhi says India continues to support the war funds. A movement in Lahore for Northern India to supply seven aeroplanes to be named after the big rivers of Punjab is progressing. Latest gifts include munitions, workshop, loan of mechanics for ambulance corps motors, besides various other donations. The native rulers of India have made generous concessions to their subjects who are on active service by exempting them from taxation and granting them other concessions.

### PEACE TALK.

LONDON, Nov. 29. Belief that the time has arrived for the Allies to begin to define definite terms of peace, is expressed by the Post in an editorial on the ground that there will be less chance of losing in negotiations what has been gained on sea and in field. The Post contends that without selling the skin before killing the bear, it may be assumed that victory for the Allies is assured, if because only by Great Britain could a naval blockade be maintained indefinitely, and history has shown that such pressure alone would in the end secure victory.

### DERBY'S PROPOSAL.

LONDON, Nov. 29. The Earl of Derby, Director of Recruiting, has decided on a further measure to supplement the steps already taken to augment the British Army without resorting to compulsion. In a letter to the Chairman of the British Red Cross Society he urges the necessity of releasing young and active men of military age for enlistment, replacing them by men unfit for military service, on account of age or physical disability. "One cannot shut eyes to the fact that many persons are doing work for the Red Cross whose proper place is in the fighting ranks," the Earl adds. "I suggest, then, that your men of serviceable age, whether married or single, should enlist under the group system, and that you do all in your power to replace single men with

### GERMANY SHORT OF FOOD.

LONDON, Nov. 29. According to a despatch from Copenhagen, a dozen German newspapers have been suspended for discussing the food question. ### FOOD RIOTS.

LONDON, Nov. 29. An Amsterdam correspondent forwards the following telegram: I am informed on good authority that serious rioting took place on Saturday in Berlin. Several thousand women gathered before the Imperial Castle and demanded the return of their husbands from the front and the improvement of food conditions. The crowd was finally dispersed by the police. No continuation of this Amsterdam despatch has been received here.

### SERBIANS IN MONASTIR.

LONDON, Nov. 29. The Serbians were still in occupation of Monastir on Sunday, according to the Times who reports that the Serbian campaign of the Central Powers has been brought to a successful conclusion. The hope is expressed here that wintry weather will give time for transferring Anglo-French troops until they are strong enough to assume the offensive before invaders have consolidated their positions in Serbia. Russia is also counted on to play a part in these operations. In the meantime the only active military operations seem to be centering around Monastir, the fate of which is obscure.

### READY TO DISCUSS PROPOSITIONS.

LONDON, Nov. 29. The Greek Government is ready to discuss the propositions made by the Entente Powers and to satisfy all demands which will not compromise its neutrality, says an Athens despatch to the Exchange Telegraph Company.

### HARD TIMES IN POLAND.

WARSAW, Nov. 29. Hundreds of thousands of the civil population of Warsaw district in Poland, are suffering for food. A considerable percentage of the number are still homeless, living in huts, caves and abandoned trenches. The situation is more serious because of the immense number of unemployed thrown out of work by the almost complete paralysis of Polish industries. Prominent Poles of all walks of life maintain that drastic relief measures are necessary if wholesale deaths from starvation are to be prevented.

vented. Such flour as is now on hand is being distributed by the Germans under the bread card system. Only potatoes are available in quantities, while there is an acute shortage of dried vegetables, meat fats, and condensed milk. Prices all over Poland have risen to unprecedented heights, and cannot be checked by the establishment of maximum prices. It is claimed, because of the fear that importation would cease altogether.

Marseilles, Nov. 29.—The French steamer Omara has been sunk in the Mediterranean by a submarine. No news has been received of twenty members of the crew, and it is feared that they have perished.

### ALLIES BOMBARD TURKISH POSITIONS.

AMSTERDAM, Nov. 29. Warships of the Allies have heavily bombed Turkish positions on the Gallipoli Peninsula and inflicted damage, according to an official statement from the Turkish War Office, received to-day. ## "Cascarets" Best If Headachy, Bilious Sick, Constipated

Best for liver and bowels, bad breath, bad colds, sour stomach.

Get a 10-cent box. Sick headache, biliousness, coated tongue, head and nose clogged up with a cold—always trace this to torpid liver; delayed fermenting food in the bowels or sour, gassy stomach. Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache. Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels. A Cascaret to-night will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet, breath right, complexion rosy and your liver and bowels regular for months.

### DECEMBER.

December blusters, to remind us, that time's as busy as of yore. December's loud and rude and burly, with snow and slush his beard is wet; he bids us do our shopping early, lest we forget. He seems wrought up to bootless madness, the last month of the dying year; he fills old people's hearts with sadness, reminding them they're gray and sore. When skies are blue and soft winds blowing, the old folks may feel young again; they dwell not on the thought of going out from this bright, glad world of men. But every fellow of December, that seems to come from throat of brass, can only cause them to remember that time speeds on, and flesh is grass. December's grim and fierce and surly, his brow obscured by gloomy clouds; he bids us do our shopping early, and buy our Christmas biers and shrouds.

## What Are You Doing for that Eczema?

"Nothing; I've about given up trying to cure it." "That is not wise. Do as I did and you will probably be cured in a short time.
