**What We Have Done For Others We  
 Can Do For You.**

Courteously, but persistently, we repeat that we have the  
 opportunity to give you yearly cash profits of 15 per cent. on  
 your money. During the past five years the writer of this ad-  
 vertisement has made investments for clients and friends that  
 have paid, and are now paying, annual cash profits from 10 per  
 cent. to 48 per cent., and we repeat again that even greater  
 profits are possible.

Possibly you cannot get such big earnings on YOUR \$100 or  
 your friend on his \$1,000, but when all the hundreds and thous-  
 ands are added together, the result means Large Profits to all.

That's why we ask you to share in our 15 per cent. offer. If  
 you can pick any flaws in our argument, we can't do business,  
 can we? But we KNOW we can PROVE our case.

**Not Generally Known!**

The average man or woman may  
 think all WAR STANDARD FLOURS  
 are alike. Such is not the case. The  
 Canadian Government has decreed that  
 Flour must not be milled ABOVE a  
 certain standard. But there is nothing  
 to prevent millers from milling BELOW  
 that standard.

**Ogilvie's  
 Standard Flour**  
 is milled to limit of Govt. requirements.
