Winter is Coming.

Already the chilly days of Autumn are here, and you should not risk the chance of catching cold in a house where the fires die out, or where a great delay of time is necessary to start them on a frosty morning. A little Gas Heater, Gas Grate, or steam radiator will funish you with just as much heat as you require, and just as little, by simply turning a tap.

We have Radiant Fires, Chill-Chasers, Sett-In-Grates, Steam Radiators, and appliances to suit all requirements
