Of all the poisons taken into the blood, the germs and pus contributed by diseased gums (Pyorrhoea) are the most destructive to the human system. If every red blood cell is forced to fight against numbers of germs to the cell, the blood cannot attend to the building up of the body, and if allowed to continue the system is bound to break down and eventually you are an invalid. Kidney, stomach, heart trouble, rheumatism and many other diseases are brought on by diseased gums and teeth.

TESTIMONIAL!

The White Clothing Mfg. Co. Ltd. Oct. 15th, 1919.
GENTLEMEN—We received your bill and the 59 Suits O.K. and let me congratulate you and the working people on the workmanship of the clothes.

I inspected the Suits and they were done to the "point." You can show this letter to your workmen as they deserve it. I just came from the States and I consider the style and fit wonderful, and we can assure you that as long as we receive work as good as these you can be assured of our trade.

Hoping you will do all of our work like this, and thanking you very much,
I am, respectfully yours,

We received the above testimonial from one of our most particular outport merchants. We value his opinion and pass it on to our many customers.

Testimonies like the above have helped us to overcome the many difficulties essential to the starting of a new industry.

MOTORISTS!

I have just purchased the Highlanders' Armoury and have storage space for 100 cars. In order to facilitate quick repairs and the most up-to-date service, I am leaving for the United States and Canada about the 27th and while abroad will purchase the finest service station equipment obtainable, also a line of repair parts and accessories for Briscoe, Ford and Chevrolet cars, and can guarantee first-class overhauling and repair work. When you are finished with your car send it in and we will overhaul it and put it in first-class condition for next season. One part of my new equipment will be an electric drive motor test stand where engines will be thoroughly tested under their own power before being put back in the car, where oil or other leaks can be detected and rectified, thereby insuring a good and lasting job. Parties storing their cars at my garage will be supplied with a key so that they can get their car at any time; cars will be so arranged that there will be no necessity to move other cars to get any one car out.

Thanking my customers for their past patronage and assuring those and others I am doing the best possible to obtain quick repairs and prompt service.
