## A PROMINENT AMERICAN MILLIONAIRE SAYS:

"Early in my business career I made it a rigid rule to invest a third of my net yearly income in Life Insurance. Now, at age 66, and with an estate of a few million dollars, I can truthfully say that the third I invested each year in Life Insurance to-day constitutes the greater and best part of my estate."

## Why Does A Cup of Tea In the Woods Taste Better?

Some of the "kill joys" will tell you it is imagination. But you mustn't mind them for that is what they lack.

The joys of trout are not for them. The music of the partridge berry, the red of the partridge berry, the blue of the whort berry and the satisfaction of the well filled basket are not for them.

Even the beauty of our Newfoundland scenery, the glory of the Topsy sunset will leave them cold. But let us forget them and let us make for the old Southside Hill, now carpeted with the green and red of the partridge berry, or out to Topsy, or up to Manuels River, or let us make for the old "Cow Path" leading to beautiful Holyrood (and along the said "Cow Path" the whorts never grew thicker than they do this year) and let us "boil the kettle", and I bet you it will be a good "cup of tea", unless your grocer has done you dirty altogether. For the secret of it is, you steep the tea as soon as the kettle boils, and any old tea will taste pretty good, I'll bet you.

But it is just as well to take the best tea with you, it doesn't cost much more. The last time we were out we had a splendid tea and it only cost us 65c. lb. It had a sort of artistic name—"Mount View". We bought it at Henry Blair's. They had another good tea there at 50c. per pound, but the clerk said "the best is the best", and we believe him.

Freshly boiled water is the secret of the cup of tea you drink out camping, fishing, berry picking or picnicking, but it is just as well to have the best tea.

You can get it for 65c. per lb. at Blair's "Mount View", that is the slogan.
