

In Monson, Mass., two persons were informed, a few days since, that they had drawn prizes in a lottery, which awaited them at the express office with \$75 C. O. D. charges on each package. One of the fortunate pair raised the money, paid it, carried home his parcel, and found it was nothing but sawdust and sand! The other concluded to apply for the bundle directed to him.

Poverty is bad, but the worst kind of poverty is poverty of the blood; it takes away his strength, courage and energy; but enrich the blood with its vital element, Iron, by taking the Peruvian Syrup (a proteid of iron), and you will feel rich and "as good as anybody." Try it.

It is now generally admitted by honest physicians, that when once consumption is fairly fastened upon the lungs, no human power can save the patient from death. They also say that about fifty per cent. of those who die from this disease can trace the cause to a neglected cough or cold, which might have been cured by a small bottle of Liquid Opodeldoe, or what is the same thing, Johnson's Anodyne Liniment.

Consumption, Bronchitis, General Debility, Cough, Hypophosphites, "Fellows' Compound," Syrup of Hypophosphites. As this preparation is entirely different in its combination and effects from all other remedies called Hypophosphites, the public are cautioned that the genuine has the name of "Fellows & Co." blown on the bottle. The signature of the inventor, James J. Fellows, is written with red ink across each label, and the price is \$1.50 per bottle.

Wife to Husband—(Rubbing the Pain-Killer on his Rheumatic shoulder lately.) It's a great pity such a good medicine as Perry Davis' Pain-Killer is not more extensively used, just see what a world of good it has done since we have had it. George don't have the toothache any more, it has cured me of a severe attack of Fever, it has cured me of Rheumatism, and I know it will relieve you of Rheumatism.

Husband—You are right, Mary, the Pain-Killer seems to fire up the cold corners of my shoulder and put new life into it. It certainly does act instantaneously. I do think, my dear, I am cured already; (meditatingly) well, well, I have heard said it is true, my shoulder is free from pain for the first time for these two months.

Wife. It is strange we never have been induced to try it before. I should have thought you would have been often advised to try it.

Husband—I have had the Pain-Killer recommended many times, but between the Doctors and Druggists, I was so much taken up with my business, I never had time to try it. I am cured already; (meditatingly) well, well, I have heard said it is true, my shoulder is free from pain for the first time for these two months.

The man whose hair turned white in a single night is surpassed by the girl who lost hers in a single minute in the street the other day.

The first locomotive of the Canada Southern Railway arrived at St. Thomas on Wednesday afternoon last, over the London and Port Stanley Railroad.

The Union Republican General Committee of New York met on Friday night, and adopted a resolution presenting the previous evening, requesting the Common Council to take steps for impeaching Mayor Hall.

ELECTION RIOT.—At a meeting in Galway, Ireland, on Friday, to nominate a candidate for the House of Commons, a show of hands indicated that the majority of the meeting favoured Nolan, the "Home Rule" candidate. The result of the vote created great uproar; which culminated in a riot between the opposing parties. The police attempted to suppress the disturbance, when a furious conflict occurred and many persons were seriously wounded.
