**A Serious Accident.**  
Albert McIntosh, a young man employed as hostler in the City Hotel, was walking along Clarence street about 7 o'clock Thursday night and was run over by a yard engine. He came to the city from St. Thomas on the M. C. R., and was on his way to the place where he is employed when the accident occurred. It appears that he saw an other man running to get ahead of the engine and attempted to do the same himself with the result that he slipped on the pathway. One foot was cut off and the other was badly smashed while other injuries were sustained. He was taken to the hospital and is doing nicely.

**Entertainment at Byron.**  
A successful Sunday school entertainment was given in St. Anne's Church, Byron, on the evening of a very enjoyable programme was presented by the young people, in which nearly all participated either in singing, in recitations or in dramatics. The opening address was read by Mabel Wiekerson. Among those contributing to the programme in recitations were Maria Davidson, Kate Forner, Mrs. W. L. Rachel McIlwain, Bertha Wood and Sarah Kenny. Rev. Messrs. H. R. and L. W. Diehl gave two solos, and Messrs. Adams and Tatham furnished instrumental music. Speeches were also made by the Rev. Messrs. Diehl and Crouse.

**The Minstrels at Brantford.**  
The holiday trip of the minstrel troupe of the Young Men's Liberal Club of this city to Brantford proved a decided success, the members arriving home at an early hour yesterday morning, tired out but pleased with the outing. The troupe put up at the Kenby House, and was accompanied by President Hobbs, ex-President Reid, Treasurer Rowland, Mr. Samuel Stevely, Mr. T. Vallance, Mr. J. B. Dugan and a number of others. The speaking men made the afternoon audience a rather slim one, but in the evening the boxes were all taken and the houses were very well filled.

The evening audience was one of the most enthusiastic and appreciative that the troupe has ever played to. The entertainments were heartily received and the various solos were encored again and again. The performances were both good ones and went off without a hitch, a banjo specially being added to the programme.

presented in this city. Brantfordites were loud in their praises of the troupe's ability and many stated it to be the best show of any kind ever seen in this city. The troupe will go to Toronto on Monday and Tuesday with a matinee on the second day.

**A New Year's Reception.**  
Those who were inclined to believe that New Year's was a cheerless day and that the miserable weather had put a damper on any general festivity would have been greatly disappointed by a visit to Victoria Hall. The Y. M. C. authorities with their customary hospitality and warm spirit threw open their doors to all, and made everyone welcome.

From morning to night the building (nicely festooned with bunting), was thronged with members and their friends, who enjoyed themselves thoroughly with the many games and other facilities for amusement which have very wisely been furnished as an attraction to youth. A number of ladies prepared choice refreshments in the pretty parlour, of which everyone entering was cordially invited to partake. In the afternoon an exhibition was held in the gymnasium, before a large audience, and the surprising dexterity of the performers and the acrobatic efficiency shown were roundly applauded. Music also added to the interest. Dr. Ziegler kindly singing several solos. All present were more than pleased with the kind and thoughtful manner in which their entertainment had been provided for, and many mental votes of thanks passed to the host and hostess, Mr. and Mrs. C. R. Sayer.

Do you suffer from scrofula, salt rheum, or other humors? Take Hood's Sarsaparilla, the great blood purifier. 100 doses one dollar.

The man who is supposed to be a "brick" seldom helps to build a house.

Nothing unpoor or injurious contaminates the popular antidote to pain, throat and lung remedy and general corrective, Dr. Theodor's Electric Oil. It may be used without the slightest apprehension of any other than salutary consequences. Coughs, rheumatism, earache, bruises, cuts and sores succumb to its action.

**Christmas Coming**

The wind whipping the spray from the crests of high running billows is the metaphor for Christmas presents.

Knowing the latest—the very latest—is the idea which the woman of society and fashion has when she starts out shopping. We believe it our duty to direct our readers where they may be best served for the least money. Being personally acquainted with Mr. Barkwell through many business transactions we are the more capable of commenting upon his ability and prices and from the display, we observe the new styles for this year are the song and laughter of beauty and novelty, and on price are undoubtedly the cheapest in this city, and consequently "fly like the down of a thistle," soon as opened, and are, still flying. He never carries them over, and that, we presume, accounts for the low price at which he sells.

**Smokers Should Read.**  
Hudson is well known throughout Canada, particularly as the city from which the celebrated "Highland Lassie" cigar is shipped. The parts of the Dominion from the Atlantic to the Pacific. Messrs. H. McKay & Co., the manufacturers, take a special pride in this 5-cent cigar. It has been consistently tested by the majority of the smokers of the country, who pronounce it the choicest article on the market. Nothing but the best fillers and wrappers are allowed in its composition, and, when once tried, it convinces the most sceptical of its superiority. Messrs. H. McKay & Co.'s immense establishment, with its products, is a credit to the city.
