STOCK MARKETS. H. C. Becher, broker, Bank of Com-merce building, received the following by private wire from Bartlett, Frazier &

Carrington today: New York, Dec. 10-Noon,-A reactionwards the close of the second hour of while becoming clear, is evidently downvard. There is no distinct general weak-less, but a few stocks are sufficiently weak to be influencing factors in prices. Traders are operating against Steel, preterred, with some success, and that secur. ty seems to lack support. Pennsylvania eems to be under pressure, and New tral exhibited a tendency to The Traction stocks continue to be the feature, and have been strong all morning. Brooklyn Rapid Transit ned at a decline, but speedily passed high figures of yesterday. The other tractions have been strong sympathetical ly. Consolidated Gas continues to show a strong undertone. St. Paul has been relatively steady, and Copper has been relatively firm. The reaction is accompanied by rumors of all kinds, but the underfone of the market is such that there is little likelihood of a bad break. Taking the market generally during the morning it has been erratic. The end of the first hour showed decided strength. GNOOMS GOOD GLANVA NITOONVN Sales to noon, 533,000 shares.

In the old case against two young men who were ordered to pay a liveryman for a lost robe, the complainant appeared to say that they had settled. The magistrate pointed out that the complainant had no right to dispose of the case, nor the defendants to take it for granted that everything was settled. He therefore ordered them to appear tomorrow. An immoderate driver was fined \$6 the penalty was made heavier because defendant had given the police some trouble in not answering the sun-
