#### BONAVISTA BEACHED. Quebec, Que., April 29. - The

steamer Bonavista, Capt. Fraser, from Louisburg, with a cargo of coal, arrived in port yesterday, with her forehold full of water. It appears that the vessel, on her way up the river, struck ground below the Traverse, and immediately began to make water. When she arrived off the Island of Orleans it was considered prudent to beach sador, to the Hen. John Hubert Ward, was towed in there by the tug Belle. announced by Mr. and Mrs. Reid to-It is said she can easily be cleared of day. water with a steam pump. A survey will be held on the steamer, when future action with regard to her will be decided on.

## Suffered From Heart and Nerve Troubles Last Ten Years.

The heart has supplied to it two sets of serves, one set which quickens, the other which slows its action. The proper action of these nerves, so important to the well-seing of the heart, depends upon the general condition of the nervous system. If there be nerve derangement of any kind it is bound to produce all the various phenomena f beart derangement.

Knowing the intricate structure of the cart, and being aware how diseases of the serves affect the heart, we have combined Milburn's Heart and Nerve Pills a eatment that will cure all forms of nerous disorders as well as act on the heart Itself, and in this is the secret of their success in curing so many cases of heart trouble which have defied all other treat-

Mrs. John Riley, Douro, Ont., writes "I have been a great sufferer from heart and nerve troubles for the last ten years. After trying many remedies and doctoring for two years, without the least benefit, I decided to give Milburn's Heart and Nerve Pills a trial. I am thankful to say that, after using nine boxes, I am entirely sured, and would recommend them to all inflorers."
