LOCAL SOCCER PROGRAM LIKELY TO OUTRIVAL 1921'S BIG BILL

WALLACEBURG, FOREST, TWO NEW TOWNS ADDED

Charles Hollins Elected Presi dent At Big Meeting in "Y" On Saturday-Matt M organ Vice-President.

ONDON and District Football Association starts out on its second year with every indication of an increase in teams and best of all, an increase in area. Over 70 official representatives of clubs and soccer enthusiasts attended the meeting held at the Y. on Saturday afternoon, at which Charles Hollins, appointed pro tem several weeks ago, was elected to the office of president, with a strong executive to aid him in the 1922 soccer campaign.

Wallaceburg and Forest are certain additions to the London and District strongholds this year, and with Sarnia and St. Thomas back in the fold, the association bids fair to outrival its initial program of last year.

The meeting probably wasn't all harmony, but that fact didn't interfere with the enthusiasm displayed, which promises good strong co-operation to boost the association.

A Strike-Out

THE person to correctly answer the question, "What is a pitcher's test asset?" would necessarily have e one who has been through the who knows the answer through

mill—who knows the answer experience.

That's where Walter Johnson, veteran hurler of the Washington American baseball club, comes in!

He knows what he's talking about when he talks pitching.

And that's why his stories, answering the "asset" question, and a heap of others—as well as discussing many phases of the pitching game, are to appear in The Advertiser tomorrow.

If you want the low-down the high-up and the all-round on hurling, follow Johnson through his stories.
