

# InOne Hour

### This sparkling drink flushes out the poisons at night.

Some mornings bring to some of us deplorable conditions. They mean days of dullness, depression or unfits. They result from clogging of system with poisons and waste. Find out how easy it is to correct

them. Drink a glass of water, hot or cold. Add a little Jad Salts. It will make a sparkling, pleasant drink. That drink will flush the intestines. In an hour all conditions will change. Instead of a lost day, you will have

day at your best.

The results come in a gentle, atural way. They come from acids of lemon and grape with lithia, etc. And they are at your command every hour of the day—whenever you feel the need.

Ask your druggist for Jad Salts today.-Advt.

# Do You Suffer?

Backache isn't the mystery it used to be years ago. Most times ft's due to kidney disorder, which means simply that the kidneys aren't working as they should to filter the blood and keep it free from aric poison. So, if your back is lame and sore you are nervous, despondent, sick, irritable, subject to dizzy spells and bladder difficulties, you want something to help the kidneys do

their work. Drink plenty of water between meals and take Dr. Pierce's An-uric (anti-uric-acid) tablets before each meal. Get An-uric at any drug store. This is the new kidney-backache This is the new Ridney-Dackache of the officers quarters gone, her gal-diructic discovered by Dr. Pierce, ley wrecked, lifeboats missing and Pres. the famous Clinic in Buffalo, smashed, skylights and rails swinging stair that led to a door beneath the stair that led to a door bend that the stair that led to a door beneath the stair that led t

# **VEHICLE LIGHTS** REFUSED IN ELGIN

Council Kills Move To Require Them On County Roads.

### WARDEN FAVORS

Special to The Advertiser by Staff Reporter.

St. Thomas, Nov. 25.-The Elgin ounty council in session this afternoon oted down the motion of Reeve Oscar McKenney, of Aylmer, making it compulsory for all vehicles to carry lights

The motion was only supported by representatives from the towns, mem-bers from the rural constituency voting solid against the measure, with the

Warden Anderson rebuked the "No's" for their stand, and advised them to ascertain the feeling of the electors in their constituency at the polls during the coming election so that they might be able to vote more intelligently on the question if they are returned.

The supporters of the motion were Reeves McKenney of Aylmer, Full : o West Lorne, Lusty of Rodney, Dr. Jackson of Port Stanley, and Sincla.

# STRATFORD MAN

C. J. McKeough Will Take Over C. N. R. Superintendency at Black Rock, N.Y.

Special to The Advertiser.

Stratford, Nov. 25 .- C. J. McKeough. assistant superintendent of the Stratford division, C. N. R., has been promoted to the important post of superintendent at Black Rock, N.Y., the change taking place at once. Mr. McKeough, who is 54 years of age, is a native of St. Marys, but has spent practically all his life in this city, entering the service the Grand Trunk here as a brakeman

McKeough will be succeeded b T. J. Wrennick, who was formerly sta-tioned at Black Rock. Mr. McKeough was appointed train-master in 1913. In 1924, the name of the office was changed from trainmaster

three or four weeks they are often ly grab by a fellow-seaman saved him gone entirely. The treatment is parter Knowles, cook, and William Freese, steward, were washed out of their galmany believe it will prove the long sought specific for all goitres. A

NEW GOITRE REMEDY

| Smashed, skylights and rails swinging N.Y. Send 10c for a trial package to Dr. Pierce's Laboratory in Bridge crew of 36 injured, the British steamer Falls City limped to her dock in Brooklyn today, many days overdue.

| She left Swansea, Wales, on October 27 with 6.000 tons of coal under hatches, When but a few hours out she ran into dirty weather which continued into a door beneath the minstrel's gallery. To open it he had to place the lamp on the floor, and, of what sort of man the murderer must have been! I can't raise it upright by the haft with one hand. Then, with the lamp held high above his head, he peered inside; and considering the character of the seemed to become stair that led to a door beneath the minstrel's gallery. To open it he had to place the lamp on the floor, and, of what sort of man the murderer must have been! I can't raise it upright by the haft with one hand. Moris Klaw seized the ax Whilst Grimsby, the local man and myself stared amazedly, he swung it about the form of the paled; he seemed to become to place the lamp on the floor, and, of what sort of man the murderer must have been! I can't raise it upright by the haft with one hand. Then, with the lamp held high above his head, he peered inside; and considering the character of the seemed to become the distance. The pale of the seemed to become the same of the pale of the pale of the pale of the seemed to plac

or the dirty weather, which continued during her entire trip. On November 5, and 7 her daily cruising speed of 300 miles was cut down to ten miles a day ight, but serving, as it did, to indicate the serving and considering the character of the started amazeury, he swalls to dirty weather, which continued and, considering the character of the started amazeury, he swalls to disk head as one swings an Indian of the struck with it—to right—to miles the struck with it—to right—to miles was cut down to ten miles a day ight, but serving, as it did, to in—the doctor says the interviews are considering the character of the started amazeury, he swalls to disk head as one swings an Indian of the struck with it—to right—to miles was cut down to ten miles a day ight, but serving, as it did, to in—the doctor says the interviews are considering the character of the started amazeury, he swalls to disk head as one swings an Indian of the struck with it—to right—to miles was cut down. when but a few hours out she ran above his head, he perfect into dirty weather, which continued and, considering the character of the stared amazedly, he swung it about Crimsby. "But ight, but serving, as it did, to intensify the gloom of the long and shadowy place, revealed a scene well calculated to shake the nerves of a stouter man than Heimer.

Stouter man than Heimer.

"What for, eh?"

"The doctor says the interviews are of a purely professional nature and I can't very well suspect a man in his position!"

"You have done two silly things,"

Less than six feet from where he stood, and lying flat on his back with his head toward the light, was Heidelberger in a perfect pool of blood, his skull cleft almost to the chin! Beside him on the floor lay the fearful weapon that had wrought his end—an enormous battle-ax, a bulky notebook.

Klaw removed his hat, took out the scent spray and bathed his forehead with verbena.

"That is a man's ax!" he said with verbena ax? We, who have so complete a catalogue of such relics?"

Isis Klaw produced from her bag hulky notebook.

gave one glance around the gloomy place, which showed him that, save for the murdered man, it was empty; then he staggered down the narrow stairs and let himself out into the grounds. Slightly revived by the

we stood in the ancient banqueting hall of Crespie. By a distant door I could see a policeman on duty. A ghostly silence was the marked feature of the place, Klaw's harsh. the route of Queen Mother Alexandra's rumbling voice echoed freely about that chamber sacred to the shades of departed Crespie.

Isis Klaw stood beside her father.
They were a wildly incongruous
couple. The girl looked down at the

"You stare widely, my friend!" he said. "It is clear you know nothing of the psychology of crime! Let me, then, enlighten you. First: all crime"—he waved one long hand characteristically—'operates in cycles. Its history repeats itself, you understand. Second: thoughts are things. One who dies the violent it death has, at the end, a strong mental emotion—an etheric storm. The air—the atmosphere—retains imprints of that storm."

ax from its fastening—"
"Theories, my friend," interrupted work evidence!"
Isis gazed at Mr. Grimsby with a smile. He looked embarrassed.
"Sorry!" he said, humbly. "Here are the facts, then. In the right hand of the dead man was an open pocket knife. It is assumed— Sorry!

Several spots of blood were found on the knife. Do you want to see it?"

Moris Klaw shook his head.

Branch lodge, Woodstock, exemplified the initiation degree and Samaritan lodge the second degree. Grand secretary William Brooks of Toronto was present.
