It was stated that Mr. Swaney and nis associates were securing it for the sole purpose of supplying their smelter at Irondale with ore, and that such being the case, Vancouver Island would derive but little benefit from the development of the property. Although the Pacific Steel Co. will continue to ship ore to Steel Co. will continue to ship ore to Him Into Water.

MADIANA WRECK. Captain Censured for Want of Care.

Hamilton, Bermuda, Feb. 21.—The decision of the court which has been inquiring into the loss of the Quebec Steamship Company's steamer Madiana, which, having about a hundred tourists on board, ran on a reef off this island on February 10, censures the captain's "indiscretion" in approaching the coast when the light had not been seen; in failing to become acquainted with prevailing conditious; in the omission to make a periodical adjustment of his compasses, and in the non-production of the steamer's log book. The court admits that the Gibb's Hill light was defective, and disapproves of the employfective, and disapproves of the employment of a crew unable to speak English

Many Visitors.

The meeting in the City hall yesterday evening, on the occasion of the assembling of the members of the local branch of the British Columbia Mining Association for the purpose of electing delegates to the big mining convention which opens in Victoria on Wednesday next, was a splendid one. The attendance was large, the interest taken in the proceedings most enthusiastic, and the debate on the aims and scope of the new organization very interesting.
