

CAMPBELLTON, NEW BRUNSWICK FRIDAY DECEMBER 10th 1933.

ACQUISITION OF
BRANCH LINES

In the House of Commons on Thursday there was an important session on the bill authorizing the government to lease branch lines connecting with the Intercolonial Railway. The acquisition of branch lines is a policy that has been followed by large company-owned lines in Canada and the government is taking a progressive and business like step in connection with the I. C. R. branch lines. The acquisition of these feeder railroads will contribute to the prosperity of the country they serve, and will prove beneficial to the Intercolonial. The action of the government in this respect is worthy of much praise and especial credit is due Hon. H. R. Emmerson, who has repeatedly emphasized the importance of adopting the policy of taking over branch lines.

During the debate in the House on Tuesday it was shown that the Intercolonial has many friends who are emphatically opposed to its sale or lease to any private corporation. Hon. Mr. Graham, Minister of Railways, replying to remarks from the Opposition side, said that the government proposed to adhere to the policy of government ownership and operation. The railway magnates and their friends, who are anxious to hand over the Intercolonial to a private corporation ought to realize that the country generally is opposed to any such retrograde movement as the sale or lease of the government-owned railway. It is known as religious, social, and which answer to only call. When Mrs. Berry wishes to feed her flock she gathers them together by singing the hymn of "Abraham, Isaac and Jacob." Come Ye Sinners Poor and Needy, and every bird of the place comes running.

For Coughs—Take This

Do you know a remedy for coughs and colds nearly seventy years old? There is one—Ayer's Cherry Pectoral. Once in the family, it stays. It is not a doctor, does not take the place of a doctor. It is a doctor's aid. Made for the treatment of all throat and lung troubles. Ask your own doctor his opinion of it. Follow his advice. No alcohol in this cough medicine. J. C. Ayer & Co., Lowell, Mass. You cannot recover promptly if your bowels are constipated. Ayer's Pills are gently laxative, act directly on the liver. Good for nearly sixty years. Ask your doctor all about them.

The advantage of attending to Christmas shopping early cannot be emphasized too strongly. It is better than to leave it to the last—better for those who sell and those who buy. Those who find it convenient to do so should buy early and avoid the late-Christmas rush.

CANADA'S REVENUE
INCREASING FAST

Statement of the Dominion for the month of November as made up from the returns furnished to finance department six to the end of the month shows a total revenue of \$8,748,923, an increase of \$1,589,935 over November of last year. For the first eight months of current year revenue has been \$64,655,099, an increase of \$9,541,212 or at the rate of nearly fifteen millions for whole year. The expenditure on the other hand both on revenue and capital accounts show a considerable falling off.

Don't try to patch up a lingering cough by experimenting. Take Allen's Lung Balsam. Cures the most obstinate coughs, colds, sore throats, or bronchial inflammation. All dealers. DAVIS & LAWRENCE CO., Montreal.

OBITUARY

The death of Miss Ethel A. Jellet, daughter of the late John Jellet, of Belleville, Ont., died at her home at Camp Point P. Q. Wednesday morning, after an illness of about six weeks.

All that loving hands and careful nursing could do for her was done, but all without avail. She leaves to mourn the loss of a kind and devoted daughter, and sister, a devoted mother and four brothers, St. Clare, in Vancouver, Fraser, in Port Arthur, and John and Percy at home. To the bereaved family the sympathy of the entire community is extended in their sad bereavement. The funeral, which was largely attended, was held this afternoon at 2 o'clock, interment being in the Mount Road Cemetery.
