We carry a large stock in assorted sizes.

MAIL ORDERS
We solicit out of town orders which receive our personal attention. The length of time taken to fill orders is governed very largely by how busy we are in the department in which they are in which the particular goods are made. While we have exceptional facilities for promptly turning out goods, it is important to place orders as far ahead as possible. Orders are filled by us in the rotation in which they are received, and customers can always depend on our doing everything in reason to give prompt despatch.

SUBURBAN WILL GO ON MONDAY
Efforts of Delegation at Last Successful—Will Run on Old Line.

Word was received this morning by the Graphic that the Suburban train will be reinstated commencing Monday March 17th, leaving Bathurst at 8:30 a.m. and Campbellton at 8:30 p.m.

There were many citizens who claimed it was folly for the different organizations to endeavor to have the regular change in time which would be the latter part of April, but those interested, even after the delegations returned from Moncton with some too good prospects, kept up the work which we are glad to be able to state has resulted as desired.

The Suburban train is the only one out of Campbellton in the P. M. hours and it should never have been taken off.

Since writing the above we have learned one of the priests, after seeing that all were out of the building, was obliged to jump from an upper window and was injured.

Nothing was saved from the building.

CHATHAM WINS FROM CAMPBELLTON
Fast Game at Chatham Friday Evening—Score 8-3 for Chatham.

(Chatham Gazette.)
The Campbellton hockey team met defeat in the College rink on Friday evening by an 8-3 score. The Campbellton boys were assisted by Mills and Cripps of the town and a large number of supporters kept urging the visitors to win the game regardless of the means. An obvious desire for rough tactics were short lived owing to the strictness and impartiality of Referee Charles Vanstone. The game was a hard one to handle satisfactorily as it called for an exceptionally good referee, and Charlie Vanstone fulfilled requirements.

Play was fast throughout and not so one-sided as the score would indicate. The Chatham boys had the better of the territory play but for have amassed a larger score but for the Campbellton defense. From the face of play was carried into the visitors territory and three minutes after the game started George Duncan found the net behind Connell, for the goal that started the home boys on to victory. Six minutes later McKenna made a perfect pass to Lyons and the latter beat Connell, making it 2-0. For the remainder of the period the hockey of the game was a series of "play" travelled from end to end with "lights" rapidly but the remarkable work of Carten and Connell, the opposing net guardians, nullified all chances to score.

In the second session the Chatham forwards started on goal catching excursions, which were very fruitful. For the first eight minutes the local had it their own way, and by their combination out guessed the enemy defense, with ridiculous ease, and threw heart failure into Campbellton's supporters. When things had increased to normal, the home team had increased their lead to three goals and McKenna had notched one each. The Campbellton boys came back strong, and from a mix-up in front of the net, Mills slammed one by Carten. With Duncan and McKenna in the penalty box, they scored Monday the following temporary argument will go into effect, the Imperial opening every Monday and Tuesday only while the Opera House will operate the other four days of the week with the management of both houses continuing as at present.

CO. SOLICITOR TO MR. CROCKETT
Article in Recent Issue Absolutely Misleading and Contrary to Facts.

Mr. Editor:
In its issue of last week The Tribune publishes, under the heading "More Incompetency," an article which is absolutely misleading and contrary to the facts concerning the assessment of the parish of Addington for Board of Health accounts.

The assessment committee, at the meeting of the county council, in accordance with the provisions of the Act of 1912, exempting the town of Campbellton of assessment, among other items, for county Board of Health accounts. The resolution may be seen by any one wishing to see it.

When the assessment warrant, however, reached Mr. John T. Reid, one of the assessors, it did not exclude the town of Campbellton from assessment for Board of Health accounts. Mr. Henry Currie at once called up the county secretary by phone advising him that the warrant was not properly made, that the same was being sent back to him to be corrected. Mr. Alexander J. LeBlanc, the secretary, answered that the warrant had been made that way every year. I told him that it was contrary to the Act and that he could not disregard the prohibitive enactments of the Act of 1912 nor the assessment resolution. After some hesitation, the county secretary consented to draw up another warrant.

I thereupon instructed him to be careful in making up the different warrants of assessment that the parish of Addington be not made to hear alone the assessment which was being taken off the town of Campbellton, but that the same be distributed proportionally on the whole county. Mr. Secretary told me that it was impossible as the other warrants were made. I instructed him that it made no difference whether or not the warrants had been sent out, that he recall them and issue proper warrants; that as the matter, then stood, the parish of Addington was paying much more than its share and that it was not only unfair but illegal. The county secretary answered that the matter would have to be straightened out by the Council and that he would not issue other warrants.

These are the facts, Mr. Editor. And far from being "the advise of the County Solicitor, Mr. A. T. LeBlanc," the blunder was committed against my all in my power to prevent its being made. And it is not the first time that my legal advice as county solicitor is glaringly thrown away and not followed.

Mr. Crockett could have obtained all these facts had his purpose been to inform the public. Mr. John T. Reid could have set him right in the matter. He chose to obtain his information, probably from the Stand-ards whence emanated the Stand-ards' wild cat despatches concerning the town of Campbellton's sinking fund and the romance of the Campbellton school teachers and the flu. Both are of the same reliable value.

ARTHUR T. LEBLANC,
County Solicitor.

FAST HOCKEY IN NORTHERN N. B.
Dalhousie Wins from Moncton Warriors—Score is 5-4.

Dalhousie, N. B. March 8th, 1919 (Special).—The Moncton "Warriors" went down to defeat here today by a 5-4 score. It was the first time that the two teams met, and both put up an excellent brand of hockey.

The game started off at a quick pace, and was fast throughout. At the end of the first period the score was 3-1 in Moncton's favor.

In the second period Dalhousie played a strong offensive game and succeeded in scoring three goals in quick succession. Moncton again scored, but tying the game.

In the third period it would seem that neither side was able to score. Finally "Deacon" of Dalhousie from a point blank pass from "Storak" succeeded in scoring the winning goal. Dalhousie then fell back on the defense and the visitors were unable to score before the period ended.

Without exception Dalhousie played its best game of the season. "Willie" and "Frid" Golin in goal showed remarkable judgment and considering it was his first appearance against an outside team, he played a star game. "McManus" and "Ganton" on the defensive played their usual good game, making good sports down the ice from time to time. "Deacon, Storrak" and "Naleau" on the forward line played splendidly together, all showed remarkable speed. "Deacon, Naleau" and "Ganton" shared the honors in scoring.

The Moncton "Warriors" put up a strong game. Their forward line was fast and played great combination. The defense was very strong and successful in breaking up the combination of the Dalhousie team time and time again. The goal tender made some brilliant stops.

After the game a lunch was served to the visitors.

CAMPBELLTON WINS THE TIN HORN
Bathurst Wins the Famous White House Trophy and Tin Horn Comes Here.

The annual curling match for the White House trophy is one of the most exciting between the two cities. It is played between eight rink teams each club, four playing at home and other four playing on the opponent's ice.

Last year the cup was brought back to Campbellton and the tin horn, which goes to the loser, was taken to Bathurst, but this year the cup goes to Bathurst, and we have the tin horn. The games were keenly contested and the visitors at each town were royally attended.

The scores were as follows—

Campbellton	Bathurst
Millican	11 Mullin
Carr	7 Stout
Fitzmaurice	10 Danen
Shives	23 Mackay
	48 Rulifson
	59
Bathurst	Bathurst
McDonald	12 Thibault
10 Danen	10 Danen
W. Marquis	12 Ganton
Watrous	9 Connors
	40
Total wins	19

AMALGAMATION OF PICTURE HOUSES
Opera House and Imperial Theatre Have Joined Forces. Same Management.

It will be interesting news to many to learn that the management of the Imperial Theatre and the Opera House have decided to join hands and amalgamate both interests. The reasons are obvious and even to the casual observer it has always been apparent that there is not sufficient scope in Campbellton to warrant the successful operation of two theatres. In fact has been proven beyond an argument that nothing but heavy losses can result.

Commencing Monday the following temporary argument will go into effect, the Imperial opening every Monday and Tuesday only while the Opera House will operate the other four days of the week with the management of both houses continuing as at present.

It's the underdog who is anxious for the peacemaker to get busy.

BAD FIRE AT FIVE FINGERS
Recently considerable property at Five Fingers, L. N. E., about fifty miles from Campbellton was burned. The boarding house owned by Paul Soucie took fire and as it was a large wooden building it was soon destroyed communicating the fire to the store owned by Mrs. J. W. Munroe, which together with dwelling, warehouse, sheds and stock were destroyed. Nothing was saved. The loss was \$10,000 with only \$2,700 insurance.

The fire was well under way when discovered, and Mrs. Munroe's premises had to be vacated ten minutes after the alarm was sounded.

DISASTROUS FIRE AT CHATHAM
St. Thomas College Destroyed by Fire Last Night Heavy Loss.

Word was received here this morning that St. Thomas College at Chatham was entirely destroyed by fire last night. The night was calm at Chatham so the fire was confined to the college.

The loss will be heavy, but is partially covered by insurance.

There were over one hundred board pupils in the college, but all were marched out, but many lost all their belongings.

LABOR BUREAU FOR CAMPBELLTON
One Will be Established—Necessity Very Evident.

On Tuesday the Graphic published the following telegram: Ottawa, March 11, 1919. H. B. Anslow, Campbellton, N. B.: Bureau will be organized at once.

CHAS. ROBINSON, Secretary of the Rotating Soldiers' and Sailors' Commission, New Brunswick, in conversation with the editor of the Graphic, made the statement that Campbellton had been omitted as a centre for the establishment of one of the proposed Labor Bureaus. It was agreed that Mr. Robinson would take up the matter at once in St. John where the Graphic would do the same in Campbellton. Immediately thereafter we were written with the above resolution, forwarded with the above suggestions.

One of the main objects of the proposed bureau is to help the unemployed.

When the time comes that the unemployed are to be helped, the bureau will be of great service.

PROVINCIAL BANK OPEN
