ESTIMATES FIXED FOR THIS YEAR

Slightly Lower Than Last Year—Other Business Of Council.

A meeting of the Town Council was held in the Fire Hall last Friday evening. In the absence of His Worship Deputy Mayor St. Onge took the chair.

Couns. Belle-Ile, Gilker, Graham, Duncan, Moores and Marquis were present.

A communication was read from Rev. Father Melanson making application for a two inch water service, also for sewer connection for the new Convent School. On motion request was granted.

A communication was read from Isaac Peters of Halifax making application for the position of foreman on water and sewerage construction work. Referred to Water and Sewerage Committee.

A communication was read from Peter P. LeBlanc making application to lease a lot of land belonging to the town. Town clerk instructed to notify him that lot was not for lease.

Seven applications were received for the position of town engineer—Geo. Rakes, salary \$250 per month; D. F. Melissac, salary \$250 per month; M. J. O'Dell, salary \$240; R. J. Parker, salary \$240; R. Palmer, salary \$240; R. B. Beebe, salary \$200 per month; R. J. Sandover Sly, salary \$1,650 he to have privilege of doing outside work.

Councillor Duncan moved that R. J. Sandover Sly be appointed town engineer. This was seconded by Councillor Marquis.

Councillor Moores moved in amendment that R. R. Beebe be appointed town engineer. This was seconded by Councillor Gilker.

After considerable discussion, Coun. Belle-Ile moved that the matter of the appointment be laid over for two weeks.—Carried.

A petition was read from the town physicians asking that a grant of \$1,000 yearly be made to assist in the payment of the salary of the Public Health Nurse.

On motion of Coun. Moores, seconded by Coun. Belle-Ile it was ordered that \$1,000 be added to the estimates for the ensuing year.

A large number of applications for

NEXT SUNDAY IS MOTHER'S DAY

Will Be Fittingly Observed Here—Churches Will Hold Appropriate Services.

The observance of Mothers' Day is yearly becoming more and more popular throughout Canada as well as in the United States where, the movement originated.

In Campbellton for some years past, several of the churches have held services appropriate to the occasion, and will again do so on Sunday next, May 14th.

"Over the Hill" is Coming!

AT ROYAL VICTORIA HOSPITAL.

A telegram received from the Royal Victoria Hospital, Montreal, states that venerable Archdeacon Forsyth, who is undergoing treatment at that institution, was "resting comfortably but conditions not materially improved."

The reverend gentleman's many friends hope for his speedy recovery.

trucking licenses, also one for a pool room license.

The usual departmental accounts were submitted and ordered paid.

Coun. Graham from the Police and License Committee reported recommending the sealing of licenses to all the applicants upon the payment of the usual license fee.—Report received and adopted.

He also reported recommending that Chas. Goss be permitted to install a gasoline tank opposite his store, same to comply with the fire underwriter's rules and regulations. Report received and adopted.

Coun. Graham submitted the report of the Police Department for the months of March and April.

Coun. Duncan read a lengthy monthly report of the Finance department. Among other things this showed that the over- and under- March 31st had climbed to \$78,197.35.

Coun. Duncan said that His Worship had requested, as Mr. Lusby had so well conducted the work of laying sidewalks that he be re-engaged for this season.

Therefore he moved that the town clerk write Mr. Lusby and engage him for this work.—Carried.

Coun. Belle-Ile said that the Town Solicitor had informed him that a resolution would be necessary authorizing him to collect certain taxes. He therefore moved that the town solicitor be authorized to take the necessary steps to collect the taxes due on the town by the Shives Lumber Co., and the J. & D. A. Harquail Co.—Carried.

On motion of Coun. Belle-Ile the manager of the Electric Light Department was authorized to purchase an oil filter and a registering oil tank.

Coun. Belle-Ile moved, pursuant to notice given at the previous meeting that the following rates be adopted for electric current for cooking purposes—For less than 100 K.W.H. per mo. 6c. From 100 to 200 K.W.H. per mo. 4c. For 200 or over K.W.H. per mo. 3½c. That each service be charged a minimum of \$1.00 per month with 25 cents per month meter rent.—Carried.

Councillor Belle-Ile gave notice of motion that he would move at the next meeting of the council that no mill be permitted to be sold in Campbellton without it was pasteurized.

Councillor Moores gave notice of motion that he would move at the next meeting of the council that gas, in larger quantities than fifteen gallons be not allowed to be stored in town unless same was stored underground.

On motion Council went into Committee of the Whole to consider the assessment.

On returning to the regular order of business the Chairman of the Committee, Councillor Gilker, reported the finding of the committee as follows:—

Assessment for 1922. ●
Public Property and Streets \$12,000

Total \$96,600
Moved by Councillor Gilker seconded by Councillor Belle-Ile that the report of the Committee of the Whole be received and adopted.—Carried.

On motion of Councillor Duncan, seconded by Councillor Belle-Ile the salary of the town clerk was increased to \$1,200 dating from May 1st.

On motion of Councillor Belle-Ile, seconded by Councillor Marquis the Fire Protection Committee was authorized to purchase a Lightning Protector.

The Council then adjourned.

PRICE FIXED FOR CARAQUET & G. S. R.

Dominion Will Pay \$287,205 For Important Feeder to Intercolonial.

Ottawa, May 8.—The price agreed upon by the Dominion Government for the Caraque and Gulf Shore Railway, is \$287,205. Of this \$87,705 is in the form of the cancellation of moneys due to Canadian Government Railways.

The balance is cash. Payment was made by the Dominion Government of \$150,000 on January 13 last.

Four claims have been filed with the Government against the purchase price. The claimants are W. S. Loggie Company, no amount stated; estate P. H. Melvin, amount \$1,000; G. and H. Dugay, parcel of land at Caraque, no value given; W. G. Pugsley, legal services \$4,971.54; no claim has been filed with the Department of Railways and Canals by or for Hon. P. J. Veniot.

This information was given by the Hon. A. B. Copp in the House of Commons this afternoon in a reply to a question by R. B. Hanson, Conservative member for York-Sunbury.

Mr. Copp added that the delay in completing the purchase of the railway was due to the fact that the company was unable to offer in acceptable title until the Lieutenant Governor in Council of New Brunswick passes a vesting order, which he agreed to pass but withheld.

SHIVES SHINGLE SAWYERS STRIKE

About One Hundred Men Thrown Out of Employment Here.

The Shives Lumber Co's shingle mill which was saving two weeks and which was saving two weeks and which was down Friday, Saturday and Monday to change from sawing pine logs to take from the boom, is all because the sawyers refuse to work for the scale offered.

The whistle blew at the appointed hour Tuesday morning, and machinery started up with every man at his post. Several of the sawyers approached the superintendent and asked what rate the company intended to pay. They were informed that 18 cents, at which rate they had been paid for the previous two weeks' work, would be the rate for the immediate future. But were informed that, should the shingle market improve this rate would be advanced.

They were also shown figures which proved that at the present market price of shingles, every thousand manufactured showed a loss of 53c.

Notwithstanding this the shingle sawyers walked out and of course the mill had to be closed down. About one hundred men, including the sawyers are thus out of work.

The men say that if the company will pay them 20 cents per thousand they will agree to work the season for this amount.

The superintendent put it up strongly to the men saying that they were responsible for the mill ceasing operations and thus depriving others from work. Not all the sawyers are involved, some being willing to work at the figure offered but were induced to strike with the others. The manager has also had requests from outside sawyers for the vacant positions, but line in larger quantities than fifteen gallons be not allowed to be stored in town unless same was stored underground.

On motion Council went into Committee of the Whole to consider the assessment.

FRIDAY IS HOSPITAL DAY

Interesting Programs Provided For Both Hospitals—Tag Day.

To-morrow, Friday, May 12th is Hospital Day.

Interesting programs have been prepared for both local hospitals and no doubt large numbers of citizens will take advantage of the day to assist support of all.

The hospitals are doing great work and certainly deserve the generous support of all.

Be on hand Friday to help along a good cause.

Revenue From This Source Continues to Grow Each Year.

Fredericton, N. B., May 6.—Receipts from licenses for motor vehicles in New Brunswick are practically \$50,000 ahead of this time last year, it was learned to-day.

So far licenses have been issued for approximately 4,300 cars and 350 trucks, bringing the receipts to today from this source this year to over \$152,000.

The early rush for licenses this year is believed to be due to the roads having dried up at a much earlier date than usual and the opening of the trunk roads to-day finds plenty of motorists ready to take advantage of the permission given by the minister of public works.

The last year with receipts of \$276,232, the department issued licenses for 12,585 touring cars, 875 trucks and 155 motor cycles, as well as a number of dealers tags and 1,500 chauffeurs licenses.

Police and provincial constables throughout the province have been requested to hold up all unlicensed cars and to arrest unlicensed persons operating motor vehicles, and especially minors.

SALARY CUT.

It is reported that as a result of the visit of the Minister of Lands and Mines to Fredericton last week a number of officials of the forestry branch of the Lands and Mines department, have had their salaries reduced.

MEMORIAL SERVICE.

A special service in memory of the late Dr. Kate MacMillan of Korea, whose death occurred recently while actively at work in the mission field, was held in the home church of the deceased at Lacquet River on Tuesday evening under the auspices of the Presbytery of Miramichi.

The Moderator of Presbytery, Rev. L. H. McLean, will conduct the service and will be assisted by Revs. Macintosh, MacLeod of New Mills, A. D. Archibald of Bathurst, F. W. Thompson of Loggieville, and D. W. McDonald, of the missionary at the same station in Korea as that in which Dr. MacMillan labored as medical missionary for nearly twenty years.

MONTHLY REPORT OF HEALTH NURSE

Interesting Report of Work Done By District Nurse for April.

Secretary, Red Cross Society, Campbellton, N. B.

Dear Madam:

Enclosed find report for the month of April. I am pleased to be able to report that quite a great deal of corrective work has been done during the month.

We started our Baby Clinic in March, four babies have been operated on successfully and the parents report a great improvement in the physical condition of the child. One father insists that the child be brought to Clinic each week. He says, "the baby is so much better in every way, since he attended Clinic, that I do not want him to miss a week." He is a wise father, would there were more like him.
