

ALL SORTS.

"Hold the fork, the knives are coming! Spoon are on the way! What do you say?"

It is a remarkable fact that Dr. Thomas' Electrolytic Oil is as good for internal as external use. For diseases of the lungs and throat, and for rheumatism, neuralgia, crick in the back, wounds and sores, it is the best known remedy, and much trouble is saved by having it always on hand.

Jacob Lookman, Buffalo, says he has been using it for rheumatism. He had such a lame back that he could do nothing, but one bottle entirely cured him.

A new grand duchess: "And so you like the yarns we see deep spin?" asked the gallant young mariner. "I love it," replied the young lady passionately. "And what shall I tell you of the doings of our sails?" he tenderly asked. "O, tell me how you love it!" she innocently answered.

Ayer's Hair Vigor restores gray hair to its original color, and makes the hair vigorous and abundant.

Some New York small boys are not half so funny as they were. They have just been fined \$10 each for singing in the church.

West Toronto Junction is within a few minutes walk of the Union station by the train of electric cars. The Ontario and Quebec and the Grand Trunk and the Northern Real estate in the neighborhood has steadily risen in value and promises to advance still more rapidly. Some of the best lots in West Toronto are to be had from Geo. Clarke, 230 Yonge street.

A household magazine says that "very nice codfish balls are made by cutting codfish up fine," etc. We supposed that nice codfish balls were made by cutting a piece of liver up fine, etc. It seems like a queer notion to put codfish in codfish balls.

Remove boils, pimples, and skin eruptions, by taking Ayer's Sarsaparilla to purify the blood.

When you notice unpleasant sensations after eating at once commence the use of Northrop & Lyman's Vegetable Discovery, and your dyspepsia will disappear. Mr. James Stanley, merchant, at Constance, writes: "I had female complaints, dyspepsia, and it has done her more good than anything she has ever used."

"A tough steak," remarks a Boston exchange, "is something like an incorrigible boy. Both may be improved by pounding." That may be so as to the boy, but all the pounding in the world will not improve a tough steak.

Worms derange the whole system. Mother Graves' Worm Expeller derange worms, and gives rest to the sufferer. It only costs 25c to try it and be convinced.

Don't spend your money for a motto of "Save My Lamb" until you have cleaned out the back yard and disinfected the walls and eaves. Cholera doesn't care a continental for mottoes.

Mrs. George Simpson, Toronto, says: "I have suffered severely with corns, and was unable to get relief from treatment of any kind until I was recommended to try Holloway's Corn Cure. After applying it for a few days I was enabled to remove the corn, root and branch—no pain whatever, and no inconvenience in using it. I can heartily recommend it to all suffering from corns."

Mr. Edward Atkinson says that silver is not as valuable as eggs. This may be true, but a pocket full of the former does not cause as much anxiety as the same quantity of the latter.

The proper channel for the escape from the system of impurities which would if they remained, poison the blood, is through the bowels. When this outlet is obstructed it may be discovered with Northrop & Lyman's Vegetable Discovery and Dyspepsia Cure, a remedy which regulates the system, invigorates digestion, and is pure and safe as well as effective. It cures all diseases arising from impure blood.

A man who had formerly been a drug clerk, accidentally broke a quinine pill he was about to take and found it to consist of two split peas. He said he was "not much surprised."

R. C. Bruce, druggist, Tara, says: "I have no medicine on my shelves that sells faster or gives better satisfaction than Dr. Thomas' Electrolytic Oil, and the sale is constantly increasing. The past year being the largest I have ever had. One of my customers was cured of catarrh by using three bottles. Another was raised out of bed where he had been laid up for a long time with a lame back, by using two bottles. I have lots of customers, who would not be without it over night."

There are good and bad points about this coffee, said the boarder, in a judicial tone. "The good point is that there is no chicory in it; the bad that there is no coffee in it."

"What we learn with pleasure we never forget," Alfred Mercier. The following is a painful and interesting case of hundreds of dollars without receiving any benefit, says Mrs. Emily Rhoads of McEwen, Mich. "I had female complaints, especially 'dragging down,' for over six years. Dr. R. V. Pierce's 'Favorite Prescription' did me more good than any medicine I ever took. I advise every sick lady to justify it. And so do we, it never disappoints its patrons. Druggists sell it."

Cataract's New Treatment.

Perhaps the most extraordinary success that has been achieved in modern medicine has been attained by the Dixon treatment for cataract. Out of 2000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling, and is a record which no other five per cent. of the patients presenting themselves to the recent treatment can be benefited, while the patent medicines and other advertised cures for cataract are all failures. Starting with the claim now generally believed by the medical world that the disease is due to the presence of living parasites in the tissues, Mr. Dixon at once adapted his cure to their extermination; this accomplished, the cataract is practically cured, and the permanency is unquestioned, as cures effected by him four years ago are cures still. No one else has ever attempted to cure cataract in this manner, and no other treatment has ever cured cataract. The application of the remedy is simple and can be done at home, and the present season of the year is the most favorable for a speedy and permanent cure. The Jones cases being cured at one treatment, sufferers should correspond with Messrs. A. H. Dixon & Son, 310 King street west, Toronto, Canada, and receive their treatment on catarrh—Montreal Star, 10.

Headache is one of those distressing complaints that depends upon nervous irritation, bad circulation, or a debilitated state of the stomach, liver, bowels, etc. The editor and proprietor of the Canada Presbyterian was cured after years of suffering with headache, and now testifies to the virtue of Burdock Blood Bitters. 246

BRIGHT'S DISEASE OF THE KIDNEYS.

The above symptoms are not developed in any order, but appear, disappear and reappear until the disease gradually gets a firm grasp on the constitution, the kidney-poison breaks down the nervous system, and finally produces diarrhoea, blood urines, heart disease, dropsy, paralysis or convulsions, and then death is inevitable. This fearful disease is not a rare one—it is an every-day disorder, and claims more victims than any other complaint.

It must be treated in time or it will gain the mastery. Don't neglect it. Warren's Sarsaparilla cures thousands of cases of the worst kind, and it will cure you if you will use it promptly and as directed. It is the only specific for the universal
