

A GOOD STRING OF FLIBERS.

WINNER OF THE CHAS. BOYLE HAS IN TRAINED FOR NEXT SEASON.

Springfield, N.Y. Ball, Lansdowne, Wildwood, Letitia, Queen of Elizabeth, Boreas, 211th, Curlew, G. and Hudson—Their Pedigree and Performance.

The most prominent Canadian representative on the United States turf today is Mr. Charles Boyle of Woodstock. He is well known throughout the Union, and as a trainer is second to none.

Mr. Boyle has trained some of the best horses on the turf, and last year had a string of stable, whose representatives were many times seen in front.

Twice did he start three horses in one day—at Jerome Park and Sheepshead Bay respectively—and all three were successful, a most uncommon occurrence.

He has shown to be a painstaking and skilful man with crisp and keen good horses with them.

This year his stable was composed mostly of the greyhound kind, though nevertheless they were fairly successful, Springfield, Queen of Elizabeth and Letitia winning some good races.

The stable for next season comprises about a dozen, whose representatives will be seen before the season commences. Should the most prominent of these representatives win some of the big stakes will be credited to the Woodstock stable.

Springfield, foaled in 1873, is a beautiful golden bay, standing 15.3, by Imp. Boreas out of the dam of Geo. Kinney's second dam Fanny Boreas, bred by the late Mr. J. M. Pease, and imported by Mr. J. M. Pease, who was bred by the late Mr. J. M. Pease, who was bred by the late Mr. J. M. Pease.

Letitia, foaled in 1875, is a chestnut horse, bred in California, by the late Mr. J. M. Pease, who was bred by the late Mr. J. M. Pease, who was bred by the late Mr. J. M. Pease.

Queen of Elizabeth, foaled in 1875, is a chestnut horse, bred in California, by the late Mr. J. M. Pease, who was bred by the late Mr. J. M. Pease, who was bred by the late Mr. J. M. Pease.
