"HOW IS THIS! A HOME FOR \$16." East Toronto Park For Sale

The Finest, Healthiest and Newest Suburb around Toronto.

WE CANNOT HELP IT, even if the recent purchasers of Scarborough Junction lots should have to call in their family physician after reading this, but we will do and can do just what we say right here, and that is, sell out the lots in this lovely site by 16th July instant.

At prices within the easy reach of all.

EAST TORONTO PARK is splendidly situated, skirting Little York on its west front, high and dry, overlooking the lake, with a charming view on every hand, and within a short distance of the Grand Trunk Railway and the Danforth-road to the south, and only about four and a half miles from the centre of Toronto.

We need no Free Cars, Free Lunch, or Special Trains to carry the multitude to our SUBURBAN PARK as an inducement to purchase; our prices and our location will do the work for us.

The multitude will come all the same, and make no mistake about that, for when they hear of our lots, CHOICE HANDSOME FREE LOTS, from \$16 upwards the rush will no doubt be great indeed when we open out in our New Offices at

23 Victoria-street, Toronto, ON MONDAY MORNING, JULY 6th

So that if you want a good first choice come early, get on the ground floor and secure your location. History, they say, repeats itself, but our low prices never! As the recent adjustment of the tariff has given us sugar "dirt cheap" so we, in the manipulation of our purchase of this lovely park can now give you lots in our addition, cheaper than sugar and more enduring too!

Why go nine miles, and even further, away from Toronto to buy land and bopm a paper town, at big prices, when we can give you cheaper and deeper lots by far, five miles nearer home, and quite within the limits of rapid development, which is sure to follow in the wake of the Ashbridge's Bay scheme.

"NOTE THIS"—The Ashbridge's Bay and other permanent improvements soon to be under way in the East, will make this suburb increase a thousand fold within a very short time. Do not forget this, when you come to buy from us, for come you will, you cannot afford to stay away.

No Notes, no Interest Bearing Bonds or Mortgages. A HOME FOR \$16.00 CONTEMPLATE THAT.

Would you believe it if we told you? I fear not. But here goes the truth all the same!—That lots on this fine estate have lately BEEN SOLD FROM \$8 TO \$10 PER FT.

Compare these figures for one moment with our present prices and you will hesitate no longer. Bring your cash and come along and come quick or you may be too late, for we can anticipate now the rush from afar, that will be made on the morning of the opening day, and all the time, day and night, during the fourteen days of the great sacrifice sale.

AS A FURTHER INDUCEMENT to purchasers of every grade, and to meet the necessities of the many, we have decided to sell on the following basis and on no other: That is, \$6 in cash down at the time of selection of lot or lots, and the balance of purchase money at end of ten days, when deed will be given, and title guaranteed by our solicitors.
