Bill to explore a line of railway from St. John to Shediac cut out by the Colonial Minister, and rehewed by the Emigrant Agent! really this was developing with a vengence!

HOUSE OF ASSEMBLY.—On Monday the 26th, the St. Andrews and Woodstock Railway Scrip Bill was taken up, and, on motion of Mr. Ritchie, postponed for three months.

Mr. Partelow afterwards submitted a report from the Road Committee, recommending the appropriation of £13,500 for the improvement of the Rye-Roads and Bridges in the several Counties.—£1357 10s. for Charlotte.

On Wednesday, the House went into Committee on a Bill (introduced by Mr. Boyd) to abolish all Licences for selling Spiritous Liquors, and to punish those who should sell them. In course of the Debate Mr Boyd spoke of the individual benefit he had received from joining the Total Abstinence Association, and, among other things, stated that he had never been himself, and able to stand up in that House like a man, until the present Session. The Bill was negatived by a large majority, and the House then resumed its business in Supply.

On Thursday, the House took up Bill to amend the City Charter of Saint John and passed all but three or four Sections.

Mr. Council then moved a Resolution in favor of giving the St. Andrews and Woodstock Railway Company, when the Line is complete, all the ungranted Crown Lands within five miles of the track. The Resolution was rejected.—Chronicle.

"THE ORDEAL."—A new paper bearing this name, made its appearance in St. John, last week, devoted to the sound principles of PROTECTION. It is published three times a week, price 12s 6d per annum. The Editor has adopted an independent and honest course, and we hail the advent of the "Ordeal" as an useful addition to the ranks of the Provincial Press. We select the following paragraphs from the Prospectus:—

"Suggestions for the improvement of the Country politically and mechanicaly, embracing the principle of PROTECTING and ENCOURAGING Native Industry, will form a prominent feature in the business of the Editor, as well as a jealous and untiring watchfulness over the proceedings of Public Bodies, the result of which will be faithfully Reported.

"It must borne in mind that the Editor of this Paper is "*no man's man.*" His strictures will therefore be equally caustic (when called for) on men of every grade and station, thus permitting his opinions to "fly like a wild goose, unreclaimed of any man." His determination being rather to SERVE them to PLEASE the public."

DIED,

At Chatham, of Small Pox, on the 16th ult., Mr. John Joseph Samuel, one of the firm of Michael Samuel & Sons, merchants, in the 31st year of his age, much regretted.

## NOTICE.

TO MERCHANTS AND OTHERS.

A North Britainer, who is well acquainted with Iron Founding & machine building in all its branches, is desirous of commencing said business in St. Andrews, deeming it a most eligible location, providing a Company could be formed to begin in the right manner. He feels confident in stating that instead of this Province being an importer of Stoves, Castings & Machinery, she would be an exporter of said articles, all being in favor of the manufacturer here, thereby now great disadvantages to the Yankee. For instance would be saved 29 per cent on Iron, 33 1-3 per cent on labor, & 30 per cent on Coal, ground &c. He could take into the United States if required, manufactures of the above description, pay duties and have a remunerating profit. He is a thorough business, go-ahead Character, and could give information to parties relative to cost and profits of various kinds of manufactures. Let a Company be formed say capital one or five thousand pounds, shares £5 or 25 each. All requisite information given by applying post paid, to W. Post Office, Saint John, N. B.
