ACCIDENTAL DEATH

MISS HAMMERLY'S SAD END.

A distressing accident occurred at
the home of Mr. Pechelach, Breithaupt
st., last night, whereby a bright
young woman's life was cut off. Miss
Hammerly, a maiden of twenty-one
years, lived with her sister, Mrs.
Pechelach, and had been suffering
recently with a severe cold in the
throat. A girl friend asked her to
take a few drops of carbolic acid in
water for it and put over a bottle
of the acid for the purpose. The fam-
ily went to Waterloo about 11 a.m.
leaving Miss Hammerly to take care
of the children. She retired early and
after being in bed and suffering from
her throat, thought of the carbolic
acid. She descended to the dining-
room and procured the bottle and took
a considerable quantity of it, with
some water, but far too much. At 10
o'clock when they returned, they found
the poor girl lying unconscious on the
bed. Dr. H. G. Lockyer was hastily
summoned and took prompt measures
to save her life. But the unfortunate
girl had taken too much of the almost
pure acid, and death ended her ter-
rible suffering at 6 o'clock this morn-
ing.

Miss Hammerly was affianced to a
gentleman in Buffalo and had intended
accompanying some friends to that
city next Wednesday. Her death has
caused much sorrow in the community
and its sympathy is extended to the
sorrowing family and relatives.
