Stomach Troubles.

A disordered stomach may cause no end of trouble. When the stomach fails to perform its functions the bowels become deranged, the liver and kidneys congested, causing numerous discuses, the most tatal of which are painless and therefore the more to be dreaded. The important thing is to restore the stomach and liver to a healthy candition, and for this purpose no better preparation can be used than Chamberlain's Stomach and Liver Tablets. For sale by S. N.
