

The image is a technical drawing or diagram, likely a patent illustration, showing a complex arrangement of lines and shapes. The drawing is oriented vertically and features a prominent, thick, dark vertical bar on the left side. The main area is filled with numerous thin, intersecting lines, some solid and some dashed, forming a grid-like or structural pattern. There are several large, irregular shapes that appear to be outlines of components or parts of a machine. The overall appearance is that of a detailed technical sketch or a blueprint for a mechanical or industrial device. The text "PRIMITIVE INDUSTRY." is centered in the middle of the drawing.

PRIMITIVE INDUSTRY.
