OPINIONS OF THE PRESS.

"The miniatures now before us retain the personal characteristics, the expression peculiar to each face, and the air of the sitter, with *great good fortune*. The book is sure to succeed as a serious companion to 'Vanity Fair.'"—*Athenaeum*.

"It contains three splendid photographs, rendered permanent by the Woodbury process, and is got up in faultless style."—*Globe*.

"The portraits are excellently done, and the same may be said of the memoirs."—*Scotsman*.

"We have seen no more beautiful examples of the photographic art than the portraits which commence the series. . . . The plan of the Gallery of Contemporary Portraits is an excellent one."—*Sheffield Daily Telegraph*.

"The specimens in the part are excellent; they present admirable portraiture combined with definiteness absolutely microscopical and a balance of light and shade which bespeak them the work of a genuine artist."—*Brighton Gazette*.
