

TWELFTH YEAR

Presbyterian Ladies' College Toronto

The Presbyterian Ladies' College, Toronto, will reopen on Sept 12, 1901, when new students will be enrolled.

The Aim of this College is to provide the best educational advantages for young women in all branches of a liberal education, under the refining influences of a Christian home.

The Standard of the educational work is as high as that of the best collegiate institutes, and at the University and Departmental Examinations for 1899 the full list of eighteen candidates were successful. The students who were not candidates received the same thorough and efficient training enjoyed by those who were fitting themselves for a University course or for the teaching profession.

The Special Departments are all under the direction of specialists. Students desiring to devote special attention to Music have at this College the unique advantage of tuition by the CONSERVATORY OF MUSIC, with which this College is affiliated. Dr.

Edward Fisher is Musical Director, and all students may compete for the scholarships and medals offered by the Conservatory. Last session two gold medals were won by students of this College.

Students of Elocution will, during the coming session, enjoy the advantage of affiliation with the Conservatory School of Elocution, which has been thoroughly reorganized.

Students of Art will continue to enjoy the high opportunity of instruction from Mr. T. Mower Martin, R. C. A.

The Home Life of the students is specially cared for by Mrs. MacIntyre. This is a very important factor in a young lady's education and special attention is given to it. The residence is limited to fifty students.
