A. McLean, Cor. Sec.

The well-known and honored Corresponding Secretary of the Foreign Christian Missionary Society is now upon the Pacific Ocean, en route to visit the various Mission stations of our people in foreign lands. A. McLean is of Scotch descent, and was born on the beautiful Prince Edward Island, Canada, where his father still lives. In 1869 he entered Bethany College, and in 1874 was graduated. He at once began his ministry in the church at Mount Healthy, a suburb of Cincinnati, where he now resides. March, 1882, he was elected to his present position, which he has held continuously ever since.

Archibald McLean has been an apostle of missions in our Zion. In his early ministry he grasped fully the supreme mission of the Church; and with pen and voice he has been a guide and an inspiration to the churches. To those who know him intimately he is an incarnation of the idea of world-wide missions. Time and service have firmly associated the name of our Secretary with the evangelization of the whole world.

This great cause has been his constant thought and care. In all his varied and arduous duties he has been industrious, faithful and patient. Some times the burdens were far too heavy to ask any one man to bear; but the confident hope of the world's final redemption, through the Gospel, by the Church, has been his unceasing encouragement and strength. This hope gave him a peace of soul which the mere incidents of his position could not disturb.

The trip has not been hastily planned. The friends of the cause have had it in mind for some years. They believe such a visit will not only be of much pleasure and profit to him

personally, but a source of real strength to the work in after years. Besides, the missionaries on the field have often expressed an earnest desire to have him make such a tour. He goes not as an ecclesiastic, but he goes rather as an invited guest and a personal friend of the heroes, who, in the forefront of the battle, desire his counsel and advice, and with him study the problems and difficulties which constantly confront them. Few, if any, are as well prepared in mind and heart for the delicate task. But what he does there will not be a full measure of the value of his visit. What a pleasure to hear him on his return! We grow impatient at the mere suggestion of the treat.

This visit marks the beginning of a new era of our work in all lands. His letters while abroad will be published in our papers and read with unabated interest. The whole trip will require some ten or twelve months. Thousands will follow him with their prayers for a prosperous journey and a safe return.

Stomach Neuralgia.

INTERESTING FACTS ABOUT THIS PECULIAR TROUBLE.

A Pembroke Lady Who Suffered For Eight Years Gives the Particulars of Her Illness, and Tells How She Obtained Relief.

From Pembroke Standard.

The grateful thanks of thousands in all parts of the Dominion who have been made well is the best evidence of the sterling merit of Dr. Williams' Pink Pills for Pale People. We suppose there is not a city, town or village in Canada in which the good record of this health giving medicine is not known, and Pembroke is no exception to the rule. Among those who speak of Dr. Williams' Pink Pills in terms of the highest praise is Mrs. Fournier, wife of Mr. Peter Fournier, both of whom are held in high esteem by those who know them. To a reporter, who recently visited their home, Mrs. Fournier gave a plain, unvarnished statement of her illness and cure. "It is now about eight years," she said, "since I began to grow ill with a pain in my back, stomach and side, and the amount of suffering which it caused me can scarcely be realized. As the days and months passed by, I began to grow weaker, and I was seldom free from the intense pains. At last I grew so weak that I was obliged to take to my bed, and even then suffered from the pains which were making my life so miserable. My appetite failed me and I feared that I was doomed to be an invalid. During those days I was under the care of a skillful physician, but his medicine did me no good. He said that my trouble was neuralgia or rheumatism of the stomach. It was during those dark days, as I lay an almost helpless invalid, that a friend strongly urged me to try Dr. Williams' Pink Pills. Although I had little faith in their efficacy at the time, I consented to try them. After using a few boxes, I began to feel myself growing stronger and the pains leaving me. I continued using them until I had used a dozen boxes, and now you can see for yourself whether I look like a sick person or not. The pains in my stomach, side and back have ceased to trouble me, and I have not been as well in eight years as I feel now. My appetite, which was so poor at one time, is now fully restored, and I am confident that not only have Pink Pills cured me, but that they have saved me from misery and pain I would have otherwise still been enduring." Mr. Fournier, who was present at the interview, fully endorsed all his wife had said.

Dr. Williams' Pink Pills make pure,

rich blood, thus reaching the root of disease and driving it out of the system, curing when other medicines fail. Most of the ills afflicting mankind are due to an impoverished condition of the blood, or weak or shattered nerves, and for all these Pink Pills are a specific which speedily restore the sufferer to health. These pills are never sold in any form except in the company's boxes, the wrapper round which bears the full name, "Dr. Williams' Pink Pills for Pale People." All others are counterfeits, and should always be refused. Get the genuine and be made well.
