THE MEMORY
 AND HOW TO IMPROVE IT.

SEND TO
PROFESSOR WOOD, F.L.S.,

(Lecturer, Trinity College, Dublin).

For his prospectus of his system of training the memory. Recommended by clergymen, doctors and lawyers in all parts of Great Britain, United States and Canada for the wonderful results attained. Lectures and sermons can be fixed in the mind by once reading over Foreign languages learned at the rate of from eighty to 120 words per hour. Dates and figures (the most difficult of all subjects to remember) cannot be forgotten after being once read.

Rev. W. B. Pope, D.D. (author of "Pope's Theology," etc.), says: "I have great pleasure in testifying to the vast benefit to be derived from the study of your system of Memory. Although it appears incredible that such knowledge can be acquired so quickly and so easily, the success of our students here in our college would satisfy the most sceptical. Wishing you success in your Educational Revolution."

Rev. J. Odery, 77 Herkimer Street, Hamilton, Ont., says: "Your teachings are sound, sensible and practicable."
PROF. F. H. WOOD, F.L.S.
 Box 551, Post Office, Toronto.

OPIMUM
 Morphine Habits Cured in 10 to 20 days. No pay till cured.
Dr. J. Stephens, Lebanon, O.

PROF. LOUIS MAGIE SELPH'S SOAP.—Healing, soothing and cleansing for all eruptive diseases of the skin. Delightful for toilet use.

Scientific and Useful.

RICE PUDDING.—Two quarts of milk; one cup of rice, soaked well in milk; one cup of sugar, one lump of butter, one teaspoon vanilla. Bake two hours, covering at first.

TEN YEARS OF TORTURE.—Mrs. Thomas Acres, of Huntley, Ont., was for ten years a sufferer from liver complaint, which doctors' medicine did not relieve. After using four bottles of Burdock Blood Bitters she was entirely cured, and states that she is like a new woman again.

POTATO PIE.—Beat together two table-spoonfuls of sugar, one of flour and two eggs; add one cupful of mashed potatoes seasoned with salt and butter and milk enough to make two pies. Bake with one crust.

THE lowering temperatures and the shortening days warn us that winter is approaching. To prevent your oversleeping on cold, dark mornings, you should invest the small sum of \$1.35 on a reliable alarm clock at Barker & Co.'s, in the Y. M. C. A. building, or bring along your old one and have it repaired by competent workmen.

MANCHESTER PUDDING.—Pare and core enough sour apples, not over acid, to fill a nappy; fill the cavity left by removing the core with sugar, and sprinkle in a little cinnamon. Soak a cup of tapioca until a jelly, pour over the apples and bake until the fruit is soft. Serve with or without sauce.

FIAT LUX was the first command ever given, and from the creation until now the efforts of man have been constant in perfecting artificial light. It, however, remained for the Bailey Reflector Co., Pittsburg, Pa., to attain the acme of success. By an original and scientific application of the principles of reflection and refraction of light they diffuse the rays equally over large or small areas and unaffected by the height or lowness of the ceiling. This principle can be applied to either gas or kerosene lamps. Send for one of their fully descriptive circulars.

TONGUE TOAST.—Mince fine cold tongue enough to fill a cup, add to this a cup of cream and the beaten yolk of an egg, and heat in a double boiler. Toast three slices of bread, butter them, and cover with the creamed tongue. Serve hot.

A CURE FOR DRUNKENNESS.—Opium, morphine, chloral, tobacco and kindred habits. The medicine may be given in tea or coffee without the knowledge of the person taking it, if so desired. Send 6 cents in stamps for book and testimonials from those who have been cured. Address M. V. Lubon, 47 Wellington Street East, Toronto, Ont.

BAKED OMELET.—While heating a cup and a half of milk, beat four eggs; stir smooth a spoonful of flour in a little cold milk, mix with eggs, then add the hot milk and a spoonful of butter containing the stirring; pour into a greased baking pan, and bake fifteen minutes.

CONSUMPTIVES should try Allen's Lung Balsam; it can be had of any druggist.

SOUP FOR CHILDREN.—Pare the potatoes, cut in thin slices, and cover with cold water an hour before boiling; cook until soft, then place the kettle on top of the stove, and stir the potatoes till mixed with the water; add a little salt and a cup of rich milk.

A SIGNIFICANT FACT.—The worn out, waste and poisonous matter in the system should escape through the secretions of the bowels, kidneys and skin, or serious disease results. B. B. B. opens these natural outlets to remove disease.

MOLASSES DROP CAKES.—One cup of molasses, one-half cup of butter, one-half cup of water, three cups of flour, a teaspoonful of ginger and soda. Beat the ingredients thoroughly, and drop the mixture with a spoon upon a buttered tin. Bake in a hot oven.

SAVE YOUR DOCTOR'S BILL.—When Dr. Wistar's Balsam of Wild Cherry will cure coughs, colds, bleeding at the lungs, and arrest the fell destroyer, consumption, it does more than most physicians can do. The use of a single bottle will satisfy the incredulous that they need look no further for the required aid.

HAM AND EGGS.—Use ham that has been cooked, mince fine and put into a frying pan, if very lean, with a little butter. Cook for a few minutes. Poach some eggs. Dish the ham on a platter and place the eggs carefully over it.

Children Starving to Death
 On account of their inability to digest food, will find a most marvellous food and remedy in Scott's Emulsion. Very palatable and easily digested. Dr. S. W. CORN, of Waco, Texas, says: "I have used your Emulsion in infantile wasting. It not only restores wasted tissues, but gives strength, and increases the appetite."

20/2 COUGHS, COLDS,
Croup and Consumption
 CURED BY
ALLEN'S LUNG BALSAM
 25c. 50c. and \$1.00 per bottle.

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar maladies.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the most aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments.

As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nerve, "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial.

"Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, unnatural suppressions, prolapsus, or falling of the womb, weak back, female weakness, anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat."

As a regulator and promoter of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."

"Favorite Prescription" when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood taints, and abolishes cancerous and scrofulous humors from the system.

"Favorite Prescription" is the only medicine for women, sold by druggists, under a positive guarantee, from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years.

Large bottles (100 doses) \$1.00, or six bottles for \$5.00.
 For large, illustrated Treatise on Diseases of Women (160 pages, paper-covered), send ten cents in stamps. Address,

World's Dispensary Medical Association,
