In ordering goods, or in making inquiry concerning anything advertised in this paper you will oblige the publishers, as well as the advertiser, by stating that you saw the advertisement in the PRESBYTERIAN REVIEW.

Mr. JOHN McKAY has declined the call to Knox church, Acton.

Mr. RUSSELL, Hawkesville, has accepted the call to Sutherland's Corners and Florence, Presbytery of Chatham.

The Presbytery of Collingwood are likely to give a call to the Rev. Dr. Campbell of Harrison.—Orilla Times.

Rev. W. ROGERS, of King street Church, London, raised \$60 in one day at the village of Keene, in aid of paying off the debt on the church.

Plans have been prepared for the enlargement of the church-building, Gananoque. The estimated cost of the enlarging, requiring and re-furnishing is \$5,000.

The Rev. G. McArthur, B.A., of Cardinal and Mainville, was made the recipient of a well-filled purse previous to his departure to the Thousand Island Park for holidays.

With all his old time vigour and earnestness, Rev. Dr. Ormiston, of New York, preached two sermons in the Central Presbyterian Church, Hamilton, last Sunday week.

The First church, Brantford, Rev. Dr. Beattie, pastor, held an organ recital and concert on the 12th inst. The concert was held in connection with the introduction of instrumental music into the services of this church.

The Daily Manitowish of the 7th inst., contains a very interesting sketch of the rise and progress of Presbyterianism in the Northwest during the past seventy years. The article is graced with a fine engraving of Knox Church Winnipeg.

NEGOTIATIONS are in progress between the Y.M.A. of St. Stephen's Presbyterian church and the Y.M.A. of St. Paul's Presbyterian church, Fredericton, for a union picnic to be held at Blissville or Fredericton Junction on the 26th of the present month.

At a meeting of the Knox Church Ladies' Aid Society, of Selkirk, held on Thursday evening, 29th ult., the following office bearers were elected: Mrs. J. Ferrier, president; Mrs. Nichol, vice-president; Mrs. Irving, secretary; and Miss Campbell, treasurer.

A FORTNIGHT before Mr. Chiquay's visit the Howick section of English River and Howick congregation had the privilege of hearing the Rev. J. Sieveright lecture on missions in the North-west. Mr. Sieveright was listened to with deep interest, and a collection of seventeen dollars was taken up for his work in Muskoka.

A PLEASING DUTY. "I feel it my duty to say," writes John Horton of Deers, P.Q., "that Burdock Blood Bitters cured my wife of liver complaint, from which she had been a chronic sufferer. Her distressing, painful symptoms soon gave way, and I can highly recommend the medicine to all suffering as she did."

W. J. Guppy, druggist, of Newberry writes: "Dr. Fowler's Wild Strawberry is just the thing for Summer sickness. I sold out my stock three times last summer. There was a good demand for it." Dr. Fowler's Extract of Wild Strawberry is infallible for Dyspepsia, Colic, Sick Stomach and Bowel Complaint.

The congregation of English River and Howick has for many years manifested a deep interest in the Rev. C. Chiquay and his work. Recently they were favoured with a visit from the aged father, who spent a Sabbath with them, and addressed large and appreciative audiences morning and evening. Before leaving the representatives of the congregation waited on Mr. Chiquay and handed to him the sum of eighty dollars for his mission in Illinois.

The services in Duff's church, East Puslinch, were conducted on the second Sabbath in August by Rev. W. Blair, of Nassagaweya, who preached in the morning. Among his hearers were Rev. W. Meldrum, of Morrison; Rev. A. Kennedy, late of Dunbarton, and Rev. J. Currie, of Kintyre. The latter gentleman preached an excellent sermon in the evening in said church. Rev. Dr. McKay preached on that day in Nassagaweya and Campbellville churches to large and attentive congregations.

The jubilee of the Rev. John Duff, Elora, was celebrated on Tuesday, the 10th inst. The Presbytery of Guelph held an adjourned meeting and presented an address. Dr. Torrance stated that through the kindness and liberality of Mr. Duff's friends not only in Elora but elsewhere, he was to place in his hands a bank deposit book, in which there was entered to his credit \$250, that since coming to the meeting he had received an additional sum, (other sums were handed in so that the whole soon amounted to \$274.75). Mr. Duff made a reply to the address, during which there were not a few moist eyes in the meeting, and a large congregation which had assembled for this part of the service showed the high esteem cherished, especially among the people of his former charge, towards him. Addresses were then given by Mr. John Davidson, of Alma, Mr. R. J. Beattie and Mr. Chas. Davidson, of Guelph; Mr. Mullen, of Fergus, and Mr. James Anderson, of Puslinch, who knew Mr. Duff, and had heard him preach in Scotland. All the speakers bore testimony of their personal regard for Mr. Duff, and the high name he bore as a preacher of the Gospel and for Christian character, and those who had taken the more active part in getting up the testimonial spoke of the kind and cordial manner in which they were received by all to whom they applied.

Dr. CAROL'S CURE FOR GRAVE IS NO longer an experiment. No cure so far in the terms on which is sold. Money refunded if medicine not satisfactory. Ask your Druggist about it, then buy it and take no other.

Don't use any more nauseous purgatives such as Pills, salts, &c., when you can get in Dr. CAROL'S SWEETENED LAXATIVE, a medicine that moves the bowels gently, cleansing all impurities from the system, and rendering the blood pure and cool. Great Spring Medicine. 50 cents.

ACKNOWLEDGEMENTS. The Rev. H. H. Warden, Montreal, acknowledges receipt of \$3 from a friend, Lechise, and \$1 from Mrs. Hackett, Lechise for the service of the new church, Vancouver, B.C., and \$1 from Mr. T. A. Haves, to aid in restoring Rev. T. O. Thomson's library. Montreal, 16th Aug., 1886.

Medicine.

Thoroughly cleanse the blood, which is the fountain of health, by using Dr. Pierce's Golden Medical Discovery, and good digestion, a fair skin, buoyant spirits, vital strength, and soundness of constitution will be established. Golden Medical Discovery cures all humors from the cranium, simple, latent, or eruption, to the worst scrofula, or blood-poison.
