

betterment of conditions takes place it would be better for them to discontinue operations for a while.

Ontario men are coming to the front in lumbering enterprises in British Columbia, and investing heavily. Last week William Irwin and Alex. Hamilton were in town from Peterboro. Mr. Irwin is a large stockholder in the Pacific Coast

Lumber Company, of this city, which is, in fact, composed mostly of Ontario capital, and also in the Kamloops Sawmill Company. This latter company is composed of about the same people as the Okanagan Lumber Company, and the two concerns practically control the trade in the near interior. These are the companies in which George McCormick, M.P.,

is interested, and it is stated he is about to move his family westward. W. R. Batty, who formerly represented Parry Sound, is manager of the new mill of the Arrowhead Lumber Company at Arrowhead, and is also one of the directors of the Okanagan Lumber Company. Peter Ryan, of Toronto, is another one with investments in this province.

Other eastern men coming west are those from Minnesota and Wisconsin. Mr. Merrill, of the latter state, has large holdings of choice timber, and Otis Staples, of Sillwater, is now building a mill at Grand Rapids, the centre of a very prosperous district. J. P. McGoldrick and associates, of Minneapolis, have in contemplation a large mill at Nelson.
