

Chocolate-Coated TABLETS.

One Hundred and Fifty-four of the Most Popular,
Staple and Quick-selling Formulas Added to Our
List—A True Chocolate Coating—Beautifully
Finished, Wholly Reliable, and Strictly
Faithful to Label.

The line of chocolate-coated tablets recently added to our
price list, and now awaiting the orders of the profession, comprises
a carefully selected list of standard formulas. In point of
external finish the new line challenges comparison with the
most beautiful products of American and foreign factories.
At a glance the physician will be struck with the thin coating
and small size, the latter being reduced to the last limits con-
sistent with good pharmacy.

The quality of these products is in every respect as un-
exceptionable as that of our regular lines of compressed and
triturate tablets. The ingredients are of the finest material;
the excipients carefully chosen; the solubility as nearly perfect
as the formula will permit.

Our line of chocolate-coated tablets comprises many ill-
tasting and malodorous substances which are now perfectly dis-
guised by the chocolate investment.

The new tablets cannot fail to meet with the admiration of
all who give due weight to pure materials, conscientious man-
ufacture, and exquisite finish. Samples and price list furnished
on request.
