

# Pictures of Quebec

THE CANADIAN MAGAZINE for September will contain a dozen or more photographs of scenes at the Quebec Celebration. These photographs, taken by an expert photographer sent by the Magazine to Quebec especially for this purpose, will be accompanied by a comprehensive article dealing with this great event.

*The first article, "HADES," on the "Gospel of the Hereafter," by Rev. J. Paterson Smyth, of St. George's, Montreal, was unexpectedly delayed, but it will appear in the September issue. . . . .*
