The call of 5 per cent. on the stock of the Royal Canadian Insurance Co., payable on the 10th inst., appears to have been fairly met.

J. B. DUFFES, provisional liquidator of the Steel Company of Canada, has called a meeting of creditors, for 19th inst., at Halifax.

T. H. LACKEY, an Ottawa confectioner, whose troubles we mentioned on a former occasion, has now assigned in trust to a creditor of his adopted town.

With regret we learn of the suicide of J. L. Goodhue, of Danville, Que., of the firms of J. L. Goodhue & Son, tanners, and of J. L. Goodhue & Co., leather belting manufacturers, of that town.

S. R. DALE, a general merchant of Drayton, Ont., has sold his stock at a one-fourth reduction. A lucky private banker who was pre-

sent at the sale, managed to secure \$1,000 of the proceeds before Dale cleared out. The latter was afterwards persuaded to assign. Liabilities, \$14,000; assets, \$6,000.

The liabilities of J. G. Fischell & Co., whose assignment in trust we have already noticed, amount to \$22,000 of which \$12,000, is secured to the Exchange Bank. Other creditors will get very little.—A compromise of 50 cents on the dollar is offered by Alfred Le Bel of St. Arsène, Que., who about a year ago effected a settlement of his troubles.

The sheriff is in possession of the estate of Mrs. E. Bull, a dry goods and boot and shoe dealer, of Thorold, Ont., who assigned on the 7th inst. Her husband, Wm. Bull, formerly ran the establishment, but was also obliged to assign, which he did without a superabundance of assets. Mrs. Bull's assets are from \$3,000 to \$6,000 in stock-in-trade, and her husband estimates her liabilities and assets to be about equal.

A CORRECTION.—We have learned with much satisfaction from a reliable source, that the circular letter published in our last, and signed

H. C. Lea, Government Immigration Agent, was wholly unauthorized by the Dominion Government. The letter formed part of the representation against assisted passages by the "Trade and Labor Council" of Toronto. It is to be hoped that, now the attention of the department has been drawn to the fact that such misleading circulars are issued, some steps may be taken to put the public on their guard.

JAMES SUTHERLAND, one of the largest grain merchants and vessel owners in Owen Sound, Ont., and vicinity, is reported to be in difficulty. Mr. Sutherland embarked in a small way in that town many years ago, and gradually accumulated property and a year ago was locally supposed to be worth over \$100,000. About two years ago vessels and railroad ties attracted his attention, and on them he lost heavily. His creditors are chiefly merchants, whose claims amount to between \$120,000 and \$130,000. Negotiations are now pending, but no proposal has yet transpired. It is to be hoped, for the sake of other firms also, that some settlement may be effected.
