PROCESSED SEMINARY FOR YOUNG LADIES

Patron—The Most Reverend the Metropolitan.  
Visitor—The Right Reverend the Lord Bishop of Nova  
Scotia.  
Principal—The Rev. John Padfield.

THE COURSE OF INSTRUCTION  
is the same as that of the best Schools in England,  
and is founded upon the University Examinations  
for Women. Pupils are prepared to pass the Local Ex-  
aminations of King's College, Windsor. Within the last  
two years, thirteen pupils have passed these Examinations,  
three of them gaining the title of "Associate of Arts."

A few students can be received, who, having finished  
their general education, wish to devote themselves to  
Music, Languages, or Art. Arrangements are made  
whereby they can give the whole of their time to these  
special subjects.

There is a Preparatory Department for Young Pupils.  
The Musical Department is under the care of a lady from  
the Royal Academy of Music, London. The French  
Governess is a native of Paris and has the Diploma of  
the French Academy. The Head English Governess,  
besides having passed the University of Cambridge Ex-  
aminations for Women, has also a certificate from the  
South Kensington School of Art.

A large reduction is made for the daughters of clergy-  
men, and where two or more are sent at the same time  
from the one family.

## OUR CHILDREN.

Why compel them to take those vile and nauseat-  
ing medicines, when PUTTNER'S EMULSION is  
so palatable and nice, and produces better results  
than any other. Most astonishing reports are  
daily recorded in favor of its cures, where other  
preparations of the kind have failed, and then  
been cast aside in disgust.

FOR DELICATE WOMEN, who are suffer-  
ing from Anaemia and Weakness, caused from  
Over-Nursing, PUTTNER'S EMULSION is just  
what is required to give tone to the system, and  
will immediately build them up in health and  
strength.

## MOTHERS! MOTHERS! MOTHERS!

Are you disturbed at night and broken of your  
rest by a sick child suffering and crying with the  
excruciating pain of cutting teeth? If so,  
go at once and get a bottle of MRS. WINS-  
LOW'S SOOTHING SYRUP. It will re-  
lieve the poor little sufferer immediately—de-  
pend upon it: there is no mistake about it.  
There is not a mother on earth who has ever  
used it, who will not tell you at once that it will  
regulate the bowels, and give rest to the mother,  
and relief and health to the child, operating  
like magic. It is perfectly safe to use in all  
cases; and pleasant to the taste, and is the pre-  
scription of one of the oldest and best female  
physicians and nurses in the United States.  
Sold everywhere at 25 cents a bottle.

## Revolution Sunday School Requisites.

ENORMOUS SAVING TO SCHOOLS.

There is actually quite as much money in selling 100,000 copies of a publication at 5c., as 5,000 at 25c., or 500 at 50c., and we are quite content to make prices on this basis. It is scarcely four years since we began publishing Sunday-school Requisites on the "Revolution Plan;" we then issued two publications, we have now 30, besides 91 Library books, 5 Song books and a large number of miscellaneous Requisites. Sales last year aggregated over 25 million copies. There is not one of our publications but what during the four years has been either dropped in price or increased in size and quality, or both, besides expense of adding new publications, and every new school that patronizes us will help us to sell still cheaper. Has any other publishing house shown any disposition to do the same? We are not the least afraid of the cry of "cheap, cheap," here has been half enough said in that direction, for we not only sell cheap, but even stand ready to give away our goods where a trial does not demonstrate to the buyer that they are BETTER than others, no matter how dear. We employ ablest writers and pay for all MSS., using more original matter than any other publishers in this line, having employed and paid 170 writers during the past year, besides 7 editors. Nothing partisan or sectarian admitted.

**Sunday-School Papers.** OUR PLAN. 1st. Put as much matter into each paper as possible by setting in a fine, but clear and readable type. 2nd. Use only the very best articles from the best pens. 3rd. Make attractive to the reader, by beautiful illustrations, attractive titles, frequent paragraphs, etc. 4th. Make as useful as possible, by including nothing without it has some good teaching in it. 5th. Furnish at prices based on an immense circulation. Fifteen different papers. Specimen copies free. No single subscriptions. **FIVE CENT PAPER.** Four months at 5c. each per year, or 15c. per quarter, when bought in lots of five or more. Price 6c. each last year, owing to increased circulation. Each paper contains as much matter as the average Sunday-School paper, and more than many. **SIX CENT WEEKLY.** THE LITTLE LEARNER'S PAPER, a weekly paper for the infant class, costs but 6c. a year, or 2c. a quarter. In lots of five or more. Other infant class papers cost from 18c. to 10c. a year. Contains the lesson, with little lesson pictures; also one illustrated story in each number.

**THIRTY CENT WEEKLY.** THE WEEKLY MAGNET, an illustrated SERIAL WEEKLY paper for the main school. In clubs at 20c. per year, or 5c. per quarter. An immense thing—five times the matter of most Sunday-School papers (please count the words); also a choice serial, running through the quarter. Nothing like it to keep up the attendance; invaluable as a means of doing good in the homes; besides, in many cases preventing the reading of bad books and papers. Other papers are without such one-fifth the matter, cost 50c. and 60c. a year.

**TEEN CENT WEEKLY.** THE SUNDAY SCHOOL WEEKLY, for the main school. In clubs at 10c. a year, or 3c. per quarter. First issue began with April; contains as much matter as some papers costing 50c. a year, weekly. Five times cheaper than any other main school weekly published. A great boon to poor schools.

**Lesson Helps.** Such helps as will secure the best possible results from the study of the lesson. (Sold on trial, and if not better, no pay.) A special teacher's help and teacher's held in five different grades. Credit for lesson preparation on the day school plan. The song service of the school utilized in the interest of the lessons, by the introduction of purely lesson songs written expressly for us, and growing out of the lessons. The whole series in perfect keeping. Lesson hymns are arranged at sight, without exception, by the introduction of old and new tune combinations. O. H. hymns also included. Every set of song books, scholars' helps, with music and all, cost but from 4c. to 11 cents a year. Teachers' helps, 18c. to 30c. a year. Circulation over one Million. Sample, etc., free.

**5c. Song Books.** Each book handsomely printed on good paper, in strong, durable new tune combination in each book—except Anthem books, an arrangement whereby pieces can be sung at sight to old tunes if no time to rehearse new ones. **THE MAIN SCHOOL.** THE L. S. S. HYMNAL for 1881 (3rd year), 3 original lessons hymns on each lesson of the year—192 pieces in all, 25 pieces, 5c. each, (postage extra 1c. each). Specimen copy, postpaid, 10c.

**FOR PRIMARY DEPARTMENT.** "Primary Songs." Word edition 70 choice songs for Infant Class use; set in very large type and illustrated. Over 10,000 sold. 25 or more copies at 5c. ea.—postage 15c. each. Sample, postpaid, 10c. Word edition and word and music edition, 30c.

**FOR CHURCH AND PRAYER MEETINGS.** "Church and Prayer Meeting Songs." For prayer meeting, congregational singing, etc.; 67 pieces, choicest selection of standard hymns and tunes and popular new pieces, also responsive readings. 25 or more copies at 5c. each—postage 15c. ea. h. Specimen postpaid, 10c.

**FOR TEMPERANCE MEETINGS.** "Temperance Songs." For Gospel temperance meet- ings, etc. Choicest standard temperance pieces, selections from new temperance books, and new original hymns and music, etc. Eighty pieces. 25 or more copies for 5c. each—postage 15c. each. Sample copy, postpaid, 10c.

**A TEMPERANCE ANTHEM BOOK.** "Temperance Anthems." A new idea, nothing else of the kind extant. With music and music by the choir at temperance meetings. 48 pages of anthems by ablest writers. 25 or more, 15c. per dozen, postage 25c. per dozen. Sample, postpaid, 15c.

**5c. Library Books.** of 12 books written. Original price from 10c. to \$2.15, the whole 63 originally costing \$57.45. Volumes above 32 are written expressly for us. Each book printed without ornament, in large, clear type, on good paper, bound in pamphlet form, wire stitched and put up in a neatly engraved cover a different style for each book. Far better for Sunday School Library use than the ordinary; being light and flexible, and wire attached, will last three times as long. Being carefully selected beforehand, saves selection; books being numbered and containing descriptive catalogue of the whole, saves numbers, catalogues and labels. A new book coming each week replenishes the library with little trouble or expense. 10c. each, postpaid. Five or more books, 8 cents each; 10 or more, 5c. each; 20 or more, 4c. each; 50 or more, 3c. each; 100 or more, 2c. each; 200 or more, 1c. each.

## BOOK NOTICES, REVIEWS, &amp;c.

THE BOOK OF HOURS, in which are contained Offices for the Seven Canonical Hours, Litanies, and other Devotions, compiled by Morgan Dix, S.T.D., Rector of Trinity Church, New York. E. & J. B. Young & Co., Cooper Union, Fourth Avenue, New York, 1881. Price 75 cts.

In the words of the Preface: "This book was prepared for a special purpose.

It has pleased Almighty God, within the last few years, to put into the hearts of some among us the desire to serve Him with a devotion hitherto unknown in our own Communion. These persons, so called of the Holy Ghost to give themselves up to charitable and religious works, and, as the Apostle expresses it, 'to continue in supplications and prayers night and day,' have sought and embraced the life of a Community, as the only one in which their desire towards God can be satisfied. Among the blessed and unspeakable privileges of such a life of retirement from this world and its affairs, is that of being able to use and regularly observe the Seven Hours of Prayer. This little volume is intended to aid in such observance."

We have examined the book carefully and it seems to be well adapted for the purpose designed. The author says it is not a new work but a compilation,—a collation of many offices, Anglican, Gallican and Oriental." We do not quite see the necessity of people cutting themselves off from the rest of their kind, and living a continuous life of retirement from the outside world, for we think that by so doing they fail to fulfil their duty to their neighbour; but if any feel called upon so to do, we know of no better way of making a profitable use of their time, than by engaging in the Seven Hours' Devotions of this volume.

We think the book will, however, be found most useful to others besides this class; those who have a work to do in the world, and yet who are determined to make time to enter into their closet and shut to the door as opportunity offers throughout the day. To such, and we believe there are some and that their number is on the increase, we heartily recommend this little work.

To Holman Pad Co., Halifax:

GENTLEMEN,—I suffered with a cough for years, upon which no other remedies seemed to have the slightest effect, and which so reduced me that I thought nothing could save me. As a "forlorn hope," I was induced to try the Holman Pad Remedies. Your treatment has made an entirely new man of me. My cough has entirely disappeared; Rheumatism nearly all gone, and I am gaining flesh rapidly. I hear of numbers who are praising your remedies, and I also confidently recommend them, even where everything else has failed.

Yours, very truly,  
JOHN LITTLE.
