

GRIP'S TRIUMPHAL TRANSPARENCY.

There are beauties of Nature and beauties of Art
And beauties of form, face and mind;
But the beautiful Photographs taken by BRUCE
Are made up of all these combined.

BALDNESS!

Neither gasoline, vasoline, carboline, or Allen s. Ayer's
or Hall's hair restorers have produced luxuriant hair on
bald heads. That great discovery is due to Mr. Winter
corbyn, 144 King-street. West, opposite Revere Block, as
can be testified to by hundreds of living witnesses in this
city and Province. He challenges all the so-called restor-
ers to produce a like result.
