

DR. FOWLER'S EXTRACT OF WILD STRAWBERRY

Cures summer complaints, diarrhoea, dysentery, cholera morbus, cholera infantum, stomachic, colic, nausea, vomiting, biliousness, and all manner of disorders. Price 25 cents a bottle.

A COMMENDABLE MOVEMENT.

LONDON, July 27.—A number of Americans who arrived here on the last trip on the Gallia have started an admirable work in securing for America part of the collection always made on board the Atlantic steamers. The Rev. Dr. Newman, of New York, supported by Mr. John Jay, Josiah Blake, Dr. Little, Dr. King of Washington, and Mr. Vaughan, of New Orleans, suggested to Captain Haines that whatever was collected should be divided equally between Liverpool institutions and an American society presided over by Mrs. Garfield. Captain Haines agreed to the proposition, and of the collection £200 have been sent to Mrs. Morris, of New York, for the American Institution. The above-named gentlemen sent a report to the *Herald*, trusting that in future a similar course will be pursued by other steamers. The fact that the average collections from these concerts was hitherto given exclusively to a Liverpool Institution gives reason for the belief that the adoption of the reciprocity system will increase the generosity of American travellers who constitute a large portion of the Atlantic passengers. Messrs. Drexel and Morgan have consented to receive half these future contributions for the benefit of seamen and the shipwrecked on the American side.

BURDOCK BLOOD BITTERS

Cures scrofula, erysipelas, salt rheum, pills and humors of the blood. Cures dyspepsia, liver complaint, biliousness, constipation, dropsy, kidney complaints, headache, nervousness, female weakness, and general debility. 50-2

A twenty-month-old baby in Vernon, Texas, ran away and was lost one night in the woods. The whole neighborhood turned out, and the next morning the little one was found a mile from home, but in the twelve hours that had elapsed it had become apparently as wild as a hawk. It knew no one, and bit and scratched with all its little strength when any one approached.

NATURE MAKES NO MISTAKES.

Nature's own remedy for bowel complaints, cholera morbus, cholera, cramps, vomiting, sea sickness, cholera infantum, diarrhoea, dysentery, and all diseases of a like nature belonging to the summer season, is Dr. Fowler's Extract of Wild Strawberry, which can be obtained of all dealers in medicine. 50-2

It would throw some light on the proposed deal if the relation of certain officers of the Montreal telegraph company to the Gould-Wiman clique were clearly pointed out. We will furnish our readers with something in this direction in a few days. In the meantime the shareholders should try and find out a little for themselves. Mr. Wiman is posing as a second George Washington, the father of his country. But he does not resemble George very closely in the hatchet episode. Any Canadian who would try to sell our telegraph wires to foreigners might more suitably be called the betrayer of his country than his father.—*Toronto World*.

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure for Consumption, Bronchitis, Catarrh, Asthma, and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French, or English, with full directions for preparing and using. REST AND COMFORT TO THE SUFFERING.

"BROWN'S HOUSEHOLD PANACEA" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back or Bowels, Sore Throat, Rheumatism, Toothache, Lumbago and any kind of a Pain or Ache. "It will most surely quicken the Blood and Heal, as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Linctum in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for Cramps in the Stomach, and Pains and Aches of all kinds," and is for sale by all Druggists at 25 cents a bottle. (G26)

MOTHERS! MOTHERS! MOTHERS!!!

Are you distressed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere at 25 cents a bottle. (G26)

KICKING THE BUCKET.—The tradition among the slang fraternity as to the origin of this phrase is that one "Bolshevik" having hung himself to a beam, while standing on the bottom of a pail or bucket, kicked the vessel away in order to pry into futurity. There are many around us who will "kick the bucket" from "yagrepia, liver complaints and derangements of the stomach, if they persist in neglect and thoughtlessness, in not providing a safe remedy. Baxter's Mandrake Bitters never fail to cure these ailments, and restore to health and strength those who otherwise would have "kicked the bucket."

To enjoy the luxury of beautiful hair it is necessary to keep the scalp cool and clean and free from dandruff. This can be done by using that "wonderful remedy," Luby's Parisian Hair Renewer, which in a marvelously short time answers the purpose, besides changing grey hair to its original color. Sold by all chemists, price 50 cents.

Ayer's Hair Vigor,

FOR RESTORING GRAY HAIR TO ITS NATURAL VITALITY AND COLOR.

It is a most agreeable dressing, which is at once harmless and effectual, for preserving the hair. It restores, with the gloss and freshness of youth, faded or gray, light, and red hair, to a rich brown, or deep black, as may be desired. By its use thin hair is thickened, and baldness often though not always cured. It checks falling of the hair in all cases, and causes a new growth in all cases where the glands are not decayed; while to brashy, weak, or otherwise diseased hair, it imparts vitality and strength, and renders it pliable.

The Vigor cleanses the scalp, cures and prevents the formation of dandruff; and by its cooling, stimulating, and soothing properties, it heals most if not all of the humors and diseases peculiar to the scalp, keeping it cool, clean, and soft, under which conditions diseases of the scalp and hair are impossible.

As a Dressing for Ladies' Hair

The Vigor is incomparable. It is colorless, contains neither oil nor dye, and will not soil white cambric. It imparts an agreeable and lasting perfume, and as an article for the toilet it is economical and unsurpassed in its excellence.

THE "WEBER."

"All Artists give them the Preference."

—New York Herald.

"THE FINEST PIANOS IN THE WORLD."

—Centennial Judges.

Used in all the Leading Convents of the United States.

"There is an extraordinary purity of tone—a capacity of porting feeling, and a wonderful power of expression in the Weber Piano."—ITALO COMPAGNIE, Tenor of H. M.'s Opera.

"The wealth and fashion of the metropolis call for their piano, and not to have a Weber Piano in the drawing-room would argue lack of musical taste or deficiency of the requisite amount of greenbacks."—New York Tribune.

"Weber's Pianos were unquestionably the best on exhibition. The Weber Grand Piano was the finest ever touched or heard. His pianos are undoubtedly the best in America, and probably in the world to-day."—CENTENNIAL EXPOSITION.

"The tone of the Weber Piano is so pure, prolonged and of such inexhaustible depth, that they sustain the voice in a wonderful degree. We not only commend them in the highest terms, but consider them the best pianos in the world."—HER MAJESTY'S ITALIAN OPERA COMPANY.

"As song-birds, from the inimitable Gersler to our own dear Louise Kellogg, and artist after artist, leave their shores, the last kindly adieu from the deck of the passing steamer is invariably 'waited to Weber.'"

"For many years—in fact from the time of the peerless Papepe, Rosa, Nilsson, Patti, Albert, and hundreds of others—Weber has been singled out by them all. Partially, no doubt, this is due to his kindness to them, but mainly to that something in the tone, that extraordinary sympathetic richness of the Weber Piano, which makes his instruments the special favorite of every great musician."—New York Times.
