Mercantile Summary.

FIFTEEN houses are being erected in Lake
Megantic village, and Shawville, Que., reports
a little building boom.

THE assessment of the town of Mitchell is
this year increased to \$597,303; the inhabi-
tants number 2,223, which is not an increase.

DR. MITCHELL has purchased the stock and
fixtures of the drug store at Harrow, Ont.,
from Messrs. Brien & Sherrin, and, in future,
will be the proprietor.

SILAS BRUSH having bought Jason Fox's
share in the saw mill, has entered into
partnership with Eli McLean in the Colchester
saw mill, planing mill and lumber business.

A SMALL general dealer at Monklands, Ont.,
and formerly of Moose Creek, Joseph Quesnel,
has assigned to the sheriff of Stormont. He
has only been two years in a very moderate
way, at the latter place.

A WISE merchant wants just as few partners
as he can possibly get along with. If he has
genius for his trade, he can invent for the
others to carry out, but oftentimes the carry-
ing out can be done much better by a clerk
than a partner.—*Dry Goods Chronicle.*

AN unusually large sale of Portland cement,
some eight hundred barrels, has just been
made by William McNally & Co., of Montreal.
This large quantity is required in the building
of the new Canada Atlantic Railway bridge at
Coteau Landing.

PACKING salmon seems to be a profitable
business in Alaska. One cannery, situated on
Kodiak Island, paid a dividend on last year's
operations of 88 per cent., and had besides a
surplus of \$13,000. The Karkuk Company
recently declared a dividend of \$125,000, which
was at the rate of about \$1 per case on the
pack.
