CITY AND ELSEWHERE.

C'est aujourd'hui la Saint-Jean-Baptiste. Nous souhaitons la bonne fête à nos compatriotes Canadiens-Français.

The examination of the boys attending St. Mary's school was held on Monday and Tuesday of last week and passed off most satisfactorily.

For fine tailoring go to Wm. Markinski, Bossin House Block, near C. P. R. He does ladies and gentlemen's tailoring in first class style and at reasonable rates.

Rev. Father Gauthier, of St. Boniface, and for a time assistant to Father Cherrier, but now of Bangor, Maine, was in town last week. He leaves for home to-day.

St. Mary's Court No. 276 of the Catholic Order of Foresters will hold a regular meeting on Friday evening in Unity Hall. Mr. J. D. McDonald has returned from attending the state convention at Duluth.

Next Sunday at the Church of the Immaculate Conception His Grace the Archbishop will confirm those children who recently made their first communion and other candidates who have been under preparation.

Next Sunday will be the solemnity of the Feast of St. John the Baptist. The members of the Winnipeg society will attend High Mass at the Church of the Immaculate Conception at 10.30. His Grace the Archbishop will be present and may preach the sermon. The choir will render special music.

The attendance at the Church of the Immaculate Conception lately of a large number of foreigners is evidence of the fact that there is considerable Catholic immigration to Winnipeg this year. These new comers should be looked after and care taken that they are settled in districts where their spiritual needs may be looked after and their children have the benefit of Catholic education.

Rev. Father Zerbach was in town last week with a delegation from the German colony near Balgonie in Assiniboia. Upwards of a hundred Catholic families have been settled there for many years, but they have not been successful and have determined to leave. Various points have been under consideration including British Columbia and Manitoba, but the delegates here last week decided to recommend the Starbuck district and there is good reason to hope that these settlers will shortly be located there.

Picnic.

A large number of parishioners of St. Mary's met in the vestry at 8.30 Sunday evening, in response to a call given by Rev. Father Gullet; after explaining the object of such call business was then proceeded with. A. H. Kennedy ap-

pointed Chairman and Thos. Jobin secretary, it was unanimously carried that a picnic should be held in the near future, and on further discussion the date being fixed for the 8th of July, Elm Park being selected for the outing. There will be light refreshments served at counters erected in shady nooks. It is expected that the parishioners in general as well as of the Immaculate Conception, will turn out en masse and render all possible assistance to make the outing a success, as the proceeds will go towards placing a leaded and colored glass, and other minor fixtures that are not included in the contract in St. Mary's Church. Tickets 25c, children 15c.

Clandeboye Bay.

[The following interesting items from our regular correspondent were unavoidably crowded out of our last issue.]

Father Dorais arrived here last Saturday evening and we were all delighted to be able to assist at Mass within the Octave of Corpus Christi. Our chapel looked better than ever before on account of the new things which were used for the first time; indeed we never had solemn Benediction of the Blessed Sacrament before. Besides the things we were able to purchase with the proceeds of our entertainments, we have received a beautiful white vestment, and a red and purple vestment, besides several altar cloths, etc. These were obtained by Father Dorais from His Grace through M. Poirras. Every one was delighted and in order to preserve the church effects with all care, a collection is being made to purchase a large box lined with tin to keep them in.

A large number of persons availed themselves of this opportunity to approach the sacraments despite the wet weather.

On Sunday afternoon Mr. Pierre St. Godard's baby was baptized, the sponsors being the baby's eldest brother and sister.

After enjoying a week, or nearly so, of fine weather, Sunday, unfortunately, proved very wet, but the fine weather reigns again.

The Metis fete is to be held at St. Laurent on the 20th of June, and it is said that there will be interesting political speeches there on that day.

A Chance to Make Money.

I have berries, grapes and peaches, a year old, fresh as when picked. I use the California Cold process, do not heat or seal the fruit, just put it up cold, keeps perfectly fresh and costs almost nothing; can put up a bushel in ten minutes. Last week I sold directions to over 12 families; any one will pay a dollar for directions, when they see the beautiful samples of fruit. As there are many people poor like myself, I consider it my duty to give my experience to such, and feel confident any one can make one or two hundred dollars round home in a few days. I will mail sample of fruit and complete directions, to any of your readers, for eight-cent stamps, which is only the actual cost of the samples, postage, etc., to me.

ANOTHER GREAT TRIUMPH.

THE BOWMANVILLE NEWS INTER-VIEWS MR. JOHN HAWKES.

And is Given Particulars of a Nine Years' Suffering From Asthma From Which He Has Been Restored to Health When His Case Was Looked on as Hopeless.

From the News, Bowmanville.

During the past five years the Dr. Williams' Pink Pills have developed into a household word, and from several cases that have come under our personal observation, there is not the least doubt in our minds but that they are a boon to mankind, and in scores of instances have saved life, when everything else had failed. The cure of Mr. Sharp, whose case we published some time ago, was one of the most remarkable that we have heard of. To-day he is as well as ever he was in his life, and is daily knocking about attending to his farm duties. Recently another triumph for Pink Pills came under our observation, and, after interviewing the person cured, he gave permission to make the facts public, and we will give the story in his own words. Mr. John Hawkes, who resides in the

township of Darlington, some ten miles north of Bowmanville, and whose post-office is Enniskillen, came to the county from Cornwall, England, some 45 years ago, and up to the time of his sickness had always been a hard-working man. One day, however, while attending his work, he got wet, took a chill and a severe cold followed, which finally developed into asthma. During the succeeding nine years he was a terrible sufferer from that distressing disease and

gradually grew so bad that he could not work, frequently spent sleepless nights and had little or no appetite. Finally he could scarcely walk across the room without panting for breath, and would sit all day with his elbows resting on his knees—the only position which seemed to give him ease, and at one time he never laid down for six weeks. As it was a hardship for him to talk all the time he had been doctoring and had tried nearly everything, and spent nearly over \$100, but got no relief. Finally some one recommended him to take Pink Pills. He thought they could do him no harm at any rate, and procuring a supply he commenced taking them. After taking three boxes he found that he was improving, and after taking two more boxes, to the astonishment of all he walked across the field to the woods and cut one cord of wood. He continued the pills and took two more boxes, making seven in all, and to-day is as well as he ever was, but always keeps a box of Pink Pills in the house. The neighbors all began to ask him what he had done, as the asthma had left him, and they never expected to hear of him being well again. To one and all he tells that it was Dr. Williams' Pink Pills that did it, and has recommended them to scores of people since his recovery.

With such wonderful cures as these occurring in all parts of the Dominion, it is no wonder that Dr. Williams' Pink Pills have achieved a greater reputation than any other known medicine. All that is asked for them is a fair trial and the results are rarely disappointing.

Dr. Williams' Pink Pills strike at the root of the disease, driving it from the system and restoring the patient to health and strength. In cases of paralysis, spinal troubles, locomotor ataxia, sciatica, rheumatism, erysipelas, scrofulous troubles, etc., these are superior to all other treatment. They are also a specific for the troubles which make the lives of so many women a burden, and speedily restore the glow of health to pale and sallow cheeks. Men broken down by over work, worry, or excess will find in Pink Pills a certain cure.

Sold by all dealers or sent by mail, post paid at 50c a box, or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Company, Brockville, Ont., or Schenectady, N. Y. Beware of imitations or substitutes alleged to be "just as good."
