EMPLOYMENT FOR SPARE TIME.....

There are many energetic young men in the University of Toronto who would like work during their spare hours by which they could help pay for their courses.

There is no business in the world to-day which offers the young man greater opportunities than life insurance.

It is almost the only business in which a young man can make an immediate success without cash capital, or some special "pull" to start on. The only capital required in the insurance field is energy and perseverance.

There is no limit to the opportunities for success and advancement.

Hundreds of University men are joining in the work.

Would you like to try it this winter?

The trial should bring you in at least a good income and may bring you permanent and profitable employment.
