

ACCOMMODATION

Although personal accommodation in the three cities of the Royal Visit are, in general, being left to individual members of the press, central and regional committees are reserving blocs of rooms in each city to ensure accommodation for all. However, pressure for space will be great, particularly in Charlottetown, and *all* media representatives seeking rooms in that city are asked to contact Mr. George Fraser, Chairman, Royal Visit Press Liaison Committee, 200 Richmond Street, Charlottetown, (Tel. 892-2632), for their accommodations. Reservations in Quebec and Ottawa should be made by individual press representatives. However, the local press committees in these cities are in touch with hotels and motels and in a position to advise the non-Canadian press, in particular, about available space.

Contact Mr. Brian Upton, Chairman, Quebec Press Liaison Committee or Mr. M. G. Perry, Accreditation Officer, Room 503, Daly Building, Ottawa (Tel. 992-1385).
