Washington, June 17, 1986

Sir,

I have the honour to refer to Note No. 310 dated June 3, 1986 of the Embassy of the United States of America in Ottawa which proposes a ten year renewal of the 1976 Agreement and accompanying Annex regarding the operation and maintenance of the torpedo test range in the Strait of Georgia and the installation and utilization of an advanced underwater acoustic measurement system at Jervis Inlet.

Accordingly, this will confirm that the Embassy's Note and this reply, which is authentic in English and French, shall constitute an Agreement between our two Governments on this matter which will enter into force on the date of this reply.

Accept, Sir, the assurances of my highest consideration.
