

The research for the second edition of *Poland: A Guide to Business Opportunities* was conducted by Prospectus Publications Ltd.

Prospectus Publications Ltd. is a knowledge-based company specializing in business-oriented publications. The company has extensive experience in contract publishing for both the public and private sectors. Projects have included research, writing, design, layout, and printing of numerous publications for federal and provincial business-related ministries as well as private sector corporations.

Members of Prospectus have also prepared studies and research reports on topics such as small business incubators, financing small businesses, human resources, technology planning for small business, getting investment, technological entrepreneurship and strategic alliances.

Prospectus has developed extensive expertise in presenting sophisticated business information in a usable format. Concise text, striking graphics and carefully chosen examples and profiles are integrated to provide a coherent, understandable package. The company's ability to provide all stages of production, from research and writing to graphics, layout and printing, ensures an integrated product.

Prospectus uses in-depth research to give business and government clients the solid information they need. Focused on business and oriented to action, the intelligence supplied is practical, readable, and useable.

The handbooks, fact books, databases, and customized studies produced by Prospectus deal with the global issues that concern today's business strategists. They offer the help needed to stay ahead of the competition and meet the challenges of the global business environment.

*Poland: a Guide to Business Opportunities* is part of a series of Prospectus Handbooks dealing with issues of importance to business and government. Information on the other books in the series is available at the office mentioned above.

This Handbook was made possible by the support of the Canadian Task Force on Central and Eastern Europe. Prospectus would also like to express its appreciation to Marian Czakanski, Polish Trade Commissioner to Canada, for his invaluable support, advice and assistance in the preparation of this document.
