Some Hon. Members: Why didn't you do it?

Mr. Malépart: Mr. Speaker, the Hon. Member is not on track, he can talk about VIA Rail, he does not know which way to go. I would like to ask a question to the Hon. Member, who is boasting about the glorious achievements of his Government, who is so proud that his Government kept the capital gain exemption for the rich but denied payment of unemployment benefits to retirees, who was telling people in his riding—and I know some who disagree with the policy of his Government—in 1985, that he was with them, when he was actually saying the opposite in the House. Here is what I would like to ask the Hon. Member.

First, he approved of the deindexing of Old Age Security and was humiliated when the Prime Minister bowed to the pressure from older people and Opposition Members and backed down. The Hon. Member at that time rose in the House and tried to have us believe that older people agreed with the measure, which was not true.

Second, does the Hon. Member agree with the fact that the capital gain exemption for the rich is being maintained, whereas Family Allowances are deindexed? Third—

Mr. Deputy Speaker: I regret to interrupt the Hon. Member.

TELEGLOBE CANADA REORGANIZATION AND DIVESTITURE ACT

MEASURE TO ENACT

The House resumed consideration of the motion of Mrs. McDougall (St. Paul's) that Bill C-38, an Act respecting the reorganization and divestiture of Teleglobe Canada, be now read the second time and referred to a legislative committee, and the amendment of Ms. McDonald (p. 3435).

Mr. Deputy Speaker: It being 6 o'clock, pursuant to Standing Order 13(4)(a), the House will now proceed with the deferred division on the motion for second reading of Bill C-38, an Act respecting the reorganization and divestiture of Teleglobe Canada. Call in the Members.

The question is on the amendment of Ms. McDonald (Broadview—Greenwood).

That the motion be amended by deleting all the words after the word "That" and substituting the following therefor:

"Bill C-38, An Act respecting the reorganization and divestiture of Teleglobe Canada, be not now read a second time but that it be read a second time this day three months hence".

The House divided on the amendment (Ms. McDonald), which was negated on the following division:
