

March 21st 1924.

C. G. Cowan, Esq., Hon. Secretary,
Canadian Club,
Ottawa, Ont.

Dear Sir:-

Sir Arthur Currie, who is at present in Ottawa, asked me to write regarding your letter of the 17th inst. on the subject of Dr. Jacks.

We do not know anything of Dr. Jacks' movements excepting that he will be here on May 29th. His address, however, is -

Dr. L. P. Jacks,
Shot-over Edge,
Headington Hill,
Oxford, England.

No doubt he would reply to a cable communication.

Yours faithfully,

Wilfrid Bovey.
