

MCGILL UNIVERSITY

22nd November 1935.

Dear Mr. Principal,

The Secretary of the Royal Society of Canada has suggested that you might like to be proposed for membership in Section II (History, Literature, etc.) and that I, as a Fellow and member of that Section, might put up your name.

Needless to say, I should be very pleased to do so. Will you let me know?

Yours sincerely

W. P. A. B. B. B.

Principal A. E. Morgan,
